(4) Mr. Don Livengood reported a budget shortage of \$500.00 due to an increase in staff group insurance premiums. Rev. Bill Hallman moved that the budget be increased by an equal amount to cover the premium increase. The motion carried.

(5) Roy Greene distributed an information sheet and map of the Association's property. He then explained that Mr. Max Kent, the adjoining property owner on the south side of the property, had expressed an interest in purchasing a triangular strip of land from the Association in order to "Straighten up his line." The triangle is thirty (30) feet wide at the rear of the Association's lot and tapers off to zero(0) at the existing corner on South Main Street. He went on to explain that Mr. Kent's stated desire was to use the additional property for parking at a yet to be built office building on his lot. Mr. Greene moved that the Associational Trustees be authorized to contact Mr. Kent

to determine his interest and negotiate an acceptable price. They will then present their recommendations to the Association. There was some discussion concerning the intended use of the property. It was explained that the sale would not impair the Association in the use of its property. Rev. Bragg clarified that selling the property would be of some benefit as it is a steeply banked area that is very difficult to maintain. Rev. David Blanton called for a vote on the question. The motion to call for the question carried. The motion to authorize the Trustees to pursue the matter carried.

(6) Rev. Jerry Wilkes presented a motion from the Program Committee, to be channeled through the Constitution Committee, to change the Annual Meetings to the following schedule:

The Association would meet in two (2) separate sessions each year.

The first session would be held in the Spring (The Fourth Monday in April.) This session would focus on praise. The election of key leadership would also take place at this time. Those leaders would then attend the Key Leadership Conference in May. An outside speaker would be invited for this session.

The other session would be held in the Fall (The fourth Monday in October.) The main focus of the Fall Session would be the Book of Reports, Budget, and other general business. The Annual Sermon would be preached at this session.

Both sessions would be evening sessions (6:00 - 9:30 pm.)

The change would start in 1993 with the Spring Session.

Rev. Wilkes stated that the purpose of this change is to promote more interest and participation in Associational work. He said several other associations had made a similar change and reported more involvement. He pointed out that such a change would make it easier to procure outside speakers for the Spring Session. It was explained that the change would also permit the whole Associational body to elect officers instead of the present method of their election by the Executive Promotion Committee. There was limited discussion followed by a vote in favor of presenting the recommendation during the first night of the Annual Session, with the vote taking place the second night.

(7) Mrs. Marie Hocutt presented the Nominating Committee's nominations for 1991-92. The motion carried as follows:

(8) Rev. David Blanton moved that a committee be appointed to investigate the feasibility of changing the dates the Executive Promotion Committee meets in order to avoid the present conflict with other church meetings held within the Association. The motion carried. The moderator designated Rev. David Blanton and Mrs. Vangie Miller to investigate the matter and report back.

(9) Rev. Ken Bragg reported on the Strategy Planning Study. Fred Lunsford, retired Director of Missions in the Truett Association, led the study. Rev. Bragg said that many of the reports, such as those on demographics and social

systems, would soon be made available to interested churches and Associational committees. The Strategy Planning Committee made an interim report listing the following four (4) objectives:

- Strengthen fellowship within the Association.
- Strengthen the Churches in the Association.
- Share the Gospel with Rowan County.
- Improve the Administrative Structure of the Association.

They are working to develop measurable goals that will result in more detailed action plans. Also presented was a list of sixteen (16) priority items they feel need to be improved or implemented within the Association. Rev. Bragg stressed the need to continue pursuing strategy planning as an ongoing process. He then made a review of upcoming events within the Association.

(10) Mrs. Vangie Miller reported that the WMU made all the personal care kits used on the Medical-Dental bus while in Rowan County. She also reported that the Baptist Women's Banquet was held with one-hundred and forty five (145) present. The speaker was Polly Rollins from Lexington.

(11) Dr. Bill Snyder made the Brotherhood report. He gave an update on Disaster Relief within the state as well as efforts to organize a chapter locally. He and several others attended special American Red Cross Disaster Relief Training at Caraway. He pointed out that recent disasters have resulted in a new awareness of the need for such relief within our own state. He appealed for volunteers to become actively involved in our county.

(12) Rev. Jerry Wilkes made an announcement concerning the upcoming Clyde Dublin Crusade in August. He invited all interested persons to attend a Prayer Rally to be held May 21. He explained that there is still time for churches and individuals to become involved in this crusade.

(13) Judy Ginn, representing Baptist Nursing Fellowship from Salisbury First Baptist, reported on the Medical Dental Bus Ministry. The Nursing Fellowship originally organized the local visits by the bus. The Salisbury First Church has agreed to fund the first three (3) visits. The ministry involved sixteen (16) dental and seventeen (17) medical patients on its first visit. A total of seventy (70) volunteers from thirteen (13) Baptist churches in Rowan and surrounding associations, as well as four (4) churches of other denominations were represented by the volunteers. She explained the goal of the Baptist Nursing Fellowship is for the local visits to become an ongoing ministry and stated a desire for the Association to become involved in this ministry.

(14) The Moderator entertained a motion to dismiss. The motion carried. Rev. Robert T. Heard pronounced the benediction.

Rev. Randy Crowell, Associational Clerk

(3) Rev. Ken Bragg reported on the possible sale of a portion of Associational property to the adjoining property owner Max Kent. Rev. Bragg reported that Mr. Bob Davis, Associational Trustee, had contacted Mr. Kent but was unable to come to terms concerning an acceptable price. Rev. Bragg stated that no further action would be taken unless contacted by Mr. Kent.

(4) Dr. Heddle called for a report from the Committee studying the proposed change of date and time of Executive Promotion Committee meetings. No representatives were present. The matter was postponed until a later date.

(5) Mrs. Katherine Bias presented a motion from the Missions Development Council concerning the Association sponsoring the Medical Dental Bus. A line item of \$3,600.00 has been included in the new budget to cover the expenses involved. The Council encourages Churches to support this ministry with gifts, prayers, volunteers and cooperation. It is understood that those who organized this ministry will continue to perform the administrative functions and that the Missions Development Council will organize itself, or form a sub-committee, to help enlist volunteers, seek support and keep the Association informed about this work. The motion carried.

(6) Mrs. Caroline Barker, Associational Sunday School Director, reported on upcoming improvements in the Baptist Sunday School literature. She announced a meeting to be held August 11 at the Enon Church to share with teachers and officers some of the improvements. She said a similar conference would be held September 12 at the Stallings Church as part of the Key Leadership Conference.

(7) Roy Greene, Associational Stewardship Committee Chairman, presented the committee's proposed budget for 1991 - 1992. Mr. Greene made a motion on behalf of the Stewardship Committee that the motion be adopted.

He said that the Brotherhood has requested their budgeted amount be increased by \$500.00 to a total of \$1,100.00. Rev. Bill Hallman made a motion to amend the proposed budget so as to accommodate the request. The motion to amend carried. The amended budget was then voted upon and carried.

(8) Dr. Heddle relinquished the Chair to Mr. Philip Bottoms, Associate Moderator. Mr. Bottoms then recognized Dr. Heddle, who pointed out that our Association doesn't have an associational manual with detailed job descriptions of all associational offices and committees. He explained that the responsibilities of many officers and committees were unclear. He reported that he has met with the

Associational Executive Committee and requested that our Association develop such a manual. He then made a motion that the Association develop an Associational Manual. He proposed that the manual be developed as a joint effort of each Associational committee using their present job descriptions, as contained in the Association's Constitution and By-Laws along with information and suggestions from the Home Mission Board, the State Convention and other sources. He proposed that each committee work on this project for a period of one (1) year and present the complete manual to the Association for approval. Mr. Bottoms called for a vote on the motion and it carried. Mr. Bottoms then returned the chair to Dr. Heddle.

(9) Rev. Zeb Baker reported that when our office building program was undertaken, it was agreed that all persons and churches making contributions would be recognized by placing their names on a memorial plaque to be placed in the Associational office. He explained that a price isn't available at this time, but promised to personally contribute \$100.00 toward its purchase. He made a motion "That we go ahead with the plaque, with the understanding that if it costs more than \$100.00 we will try to make it up in the Association." After limited discussion both for and against the motion, a motion was made to suspend debate and call for the question. The motion to call for the question carried. The motion to secure the plaque carried.

(10) Dr. Bill Snider, Associational Brotherhood Director, reported on the recent Mission Share-A-Thon held August 3 at the Enon Church. There were seventy five (75) persons registered. Sixteen (16) churches had displays concerning their local mission work. A video was made of the event and will soon be available for loan.

(11) Rev. Bragg was recognized for the Director of Missions Report. He made an appeal for involvement in the upcoming mission trip to Brazil. He reported on the upcoming Associational meetings, calling special attention to the Key Leadership Conference to be held September 12. He called attention to a special prayer calendar that has been developed with the names of pastors and Associational leaders to remember in prayer each day of the month.

(12) There were no other committee reports or business, so a motion was made to adjourn. The motion carried. Rev. Ron Coleman dismissed the meeting with prayer.

Rev. Randy Crowell, Associational Clerk

MINUTES OF THE FIRST SESSION OF THE SIXTY FORTH ASSOCIATIONAL ANNUAL MEETING

On October 28th, 1991 the first meeting of the Sixty-fourth Annual Session of the Rowan Baptist Association opened at Oakdale Baptist Church, Spencer, NC, at 6:30 pm. Dr. Ronald J. Heddle, Associational Moderator, called the meeting to order. One Hundred and forty one (141) Messengers were registered as well as thirty-three (33) visitors.

BUSINESS WAS AS FOLLOWS:

1. Rev. Randy Crowell, Associational Clerk, made a motion that "All duly elected and registered messengers representing the thirty-nine (39) churches that compose the Rowan Association, be duly constituted for this the sixty-fourth annual session". The motion carried.

2. Rev. Robert Heard, pastor of the Oakdale Church, offered a welcome to all the messengers and visitors. He then led in an invocation.

3. Rev. Jerry Wilkes, representing the Program Committee, presented two (2) motions from the Program Committee.

1. That the Missions Development Council Report be deleted from Monday's program and moved to Tuesday's program.

2. That the printed program serve as the official order of business; allowing for any modifications allowed by the moderator.

4. The moderator recognized the visitors present.

5. The congregation then sang the hymn "To God Be The Glory".

6. The moderator introduced the speaker for the evening, Rev. Derald Adams, pastor of South China Grove Baptist Church.

7. The Oakdale Choir presented "A message in Music" through hymns.

8. Rev. David Blanton, pastor of the Trading Ford church, read the scripture for the sermon (Luke 5:1-11).

9. Rev. Derald Adams then preached the Annual Sermon.

10. Rev. Coy Miller, representing the Memorial Committee, read scripture from First Thessalonians and led in a moment of silent prayer in memory of those church members that have deceased during the past year.

11. The messengers were dismissed at 7:30 for a short break and enjoyed refreshments provided by the Oakdale Church.

12. The meeting reconvened with the congregation singing the hymn "All Hail The Power Of Jesus' Name".

13. The moderator explained that two (2) motions to change our constitution would be presented tonight and would then be discussed and voted on during the Tuesday night session. He pointed out that a two-thirds (2/3s) majority vote would be required in order for the motions to carry.

14. Rev. Jerry Wilkes, representing the Program Committee, made the first motion to change the Association's Constitution as it relates to the Annual Sessions. The motion was as follows:

"The program Committee recommends the Association change the Annual Meeting to the following:

The Association would meet in two (2) sessions each year. One (1) in the spring (The fourth (4th) Monday in April). One (1) in the fall (The fourth (4th) Monday in October). The Spring Session would be more of a praise meeting with the elections of key leadership. These leaders would then attend the Key Leadership Conference in May. An outside speaker would be invited for this session.

The Fall Session would be more information oriented with the Book of Reports, Budget, and general business. The Annual Sermon would be preached at this session.

Both sessions would be evening sessions (6:00-9:30 pm). We believe this change would involve more interest in the Association work. The change would become effective in 1993 with a spring session."

15. Dr. Ronald Coleman then made the second motion to add the following article to the Constitution:

"CONSTITUTION - SECTION X AMENDMENTS, COMMITTEES

17 NURSERY: This committee shall be composed of one (1) chairperson elected by the Association for a two (2) year term and volunteers from associational churches. This committee shall provide nursery workers at

associational meetings. It shall be the responsibility of such organizational leaders to contact the nursery chairperson in advance regarding nursery workers for their meeting. The chairperson shall contact each church's nursery director for the names of volunteers willing to serve at an associational meeting.

16. Dr. Heddle again reminded all messengers to be prepared to discuss and vote on these two (2) Constitutional changes during Tuesday's session.

17. Mrs. Marie Hocutt, representing the Nominating Committee, presented as a motion the Committee's recommendations for 1991-92. The motion carried.

18. Mr. Roy Greene, representing the Stewardship Committee, presented as a motion, the Committees' financial report and proposed budget for 1991-92 calling special attention to several major changes, one of which is the addition of a new budget line item which will provide funds for the continued operation of the Medical/Dental Bus ministry. The motion carried.

19. Rev. Steve Harrill, Associational Music Director, spoke on behalf of the newly published Baptist Hymnal. He pointed out that it contained new hymns, worship aids, responsive readings and praise choruses as well as the older favorite hymns. He stressed that there are many editions available for accompanists, handbells, music directors, etc... He said that the Sunday School Board had sample hymnals available for inspection free of charge.

20. The Moderator asked if there were any announcements of coming events. There were several. The Moderator then adjourned the session.

21. Rev. Shane Tolliver, pastor of the Emmanuel Church, led in the Benediction.

Rev. Randy Crowell, Associational Clerk

MINUTES OF THE SECOND SESSION OF THE SIXTY FORTH ANNUAL SESSION OF THE ASSOCIATION

On Tuesday, October 29th, 1991 the second meeting of the Sixty-fourth Annual Session of the Rowan Baptist Association opened at Friendship Baptist Church, Salisbury, NC, at 6:30 pm. with Dr. Ronald J. Heddle, Associational Moderator, presiding. Eighteen (18) additional Messengers were registered as well as eighteen (18) additional visitors.

BUSINESS WAS AS FOLLOWS:

1. Dr. Jim Harris, pastor of the Friendship Church, offered a welcome to all the messengers and visitors. He then led in an invocation.

2. Dr. Heddle called the meeting to order and recognized the visitors.

3. Mr. David Clay presented the Missions Development Council report. He expressed great joy, on behalf of the Council, in regard to the new Medical/Dental Bus ministry which has become a part of our Associational missions.

4. Mr. Clay then introduced Mrs. Judy Ginn who shared some details and statistics concerning the bus ministry in Rowan county. She stressed the need for such a ministry due to the great number of medically indigent persons within our county. She presented a video program featuring the bus ministry. She shared the fact that everyone who has helped with this ministry so far has received a blessing as a result. She encouraged churches within the Association to become involved in the ministry.

5. The moderator called for discussion and vote on the two (2) changes to the Constitution.

6. Rev. Jerry Wilkes presented the proposed change concerning the Annual Meetings. He elaborated on the benefits of such an arrangement such as better attendance and greater availability of outside special speakers for the Spring Session. He also pointed out that such a change would allow for greater involvement of the Association in regard to the election of Key leadership personnel. After limited discussion, a motion was made to call for the question. The motion to call for the question carried. The motion to change the meeting dates then carried unanimously.

7. Rev. Ronald Coleman presented the proposed addition to the Constitution involving the addition of a Nursery Committee. The motion carried unanimously.

8. The moderator recognized Rev. Jake Huneycutt, pastor of Faith Baptist, who will retire from active ministry at the end of November.

9. Rev Ken Bragg presented his Director of Missions report. He began by stating that our Association had over 200 volunteers that labor to strengthen the churches of our Association. He expressed a special thanks to Margaret Livengood, the Associational Secretary, and Don Livengood the Associational Treasurer, for their outstanding work within the Association.

He then shared three (3) concerns and suggestions as to our Christian response to those concerns.

The first concern involved the moral condition of our country. He pointed out the great number of murders, rapes, and acts of violence against adults as well as children that seem to be plaguing our nation. He explained that what we are facing as a nation is spiritual warfare. He urged all to teach, preach and live Biblical principles of morality. He called for a renewed effort to call our country back to the solid Biblical principles upon which it was founded.

The second concern involved the conflict within our beloved convention. He shared the fact that he had said very little thus far concerning the conflict, hoping that it would somehow go away. He said that it hadn't gone away, but that it had intensified to the point of endangering the work of the Lord through Southern Baptists at the local and national levels. He offered four (4) suggestions as to the correct Christian response to this grave situation.

1. Be very slow to attach any label to a fellow Baptist.

2. Let the Truth and the Spirit of God search our hearts for our true motives. He stressed the tendency of religious people to feel exceedingly righteous. He urged everyone present to read again the words of Jesus in the Gospel of Matthew chapter twenty-six (26) as Jesus spoke to the religious people of His day exposing their selfish and sometimes evil motives.

3. Remember the command of our Lord Jesus Christ to "Love one another" pointing out that to so do is a mark of Christ in our life.

4. Remember that the Lord has called us to a style of leadership which is best described by the word "Servant". Rev. Bragg encouraged Christians to search for ways to serve others.

His third concern involved the lack of growth in our Association and its member churches. He emphasized the fact that within our convention seventy-five percent (75%) of the churches have experienced no substantial growth in recent years. The statistics hold true in our own Association as well. He pointed out the following facts. From 1978 until 1990 the resident membership of our churches decreased four percent (-4%) and our average Sunday School attendance decreased fifteen percent (-15%). He pointed out that we have done well in several areas. Our Vacation Bible School has increased twelve percent (+12%); Discipleship Training has increased one hundred and twenty-seven percent (+127%); Music programs have increased twenty nine percent (+29%); WMU eleven percent (+11%); Brotherhood, sixty-five percent (+65%); and our contributions have increased one

hundred and nineteen percent (+119%). He pointed out, however, that when the inflation factor is figured into the increased contributions, our contributions seem to be trailing the inflation curve. Our missions giving have fluctuated between fifteen point seven percent (15.7%) and nineteen percent (19%) during the same time period. He encourage each leader to become a serious student of church growth principles. He offered seven (7) suggestions for bringing new growth to our churches and thereby our association. They were:

1. Be willing to enlarge our organizations.
2. Do a better job in the assimilation of new members.
3. Do a better job in ministry to people during their hard times.

10. The moderator took the floor at this point and entertained a motion to extend the allotted time for the DOM report. A motion was made and carried.

11. Rev. Bragg then continued his report as follows:

4. Involve more people in lay witnessing.
5. Be concerned with the practical services we offer people.
6. Develop within leadership a sense of vision with common goals.
7. Concentrate on the "Spirit" of our churches.

12. After the DOM report, the moderator dismissed the meeting for a short break to enjoy refreshments provided by the Friendship Church.

13. After the break, the congregation sang the hymn "Amazing Grace".

14. Mrs. Vangie Miller, the Associational WMU Director, then introduced the special speaker, Miss Nancy Curtis, Executive Director of the state WMU Executive Board.

15. Miss Curtis brought a stirring message on prayer as it relates to missions work and personal spiritual growth.

16. After calling for announcements the moderator adjourned the meeting.

17. Rev. Benny Vickrey, pastor of Rockwell First, led in the benediction.

MISSIONS DEVELOPMENT COUNCIL REPORT

Over the past year, a number of meetings of the Missions Development Council were held. At these meetings representatives of the WMU, Brotherhood, and Sunday School, along with the Director of Church Extension, Christian Social Ministries, Language Missions, and Family Ministry told of their activities and services within the Rowan Association.

A priority in the Director of Missions Report over a year ago was to provide for Christian counseling on a professional basis. The Deacons of the First Baptist Church of Salisbury arranged for funding a once-a-week staff counselor from the Baptist Hospital. This is now on hold due to a shortage of trained staff and prior commitments in other associations.

The most exciting missions event of the year was the scheduling of the North Carolina Baptist Men's Medical/Dental Bus. The bus was purchased by them to meet health and spiritual needs of migrants and other low income families. Mrs. Judy Ginn of the Baptist Nursing Fellowship, presented the project to the Missions Committee of the First Baptist Church of Salisbury and received funding for the first three monthly visits of the bus. On April 11, 1991, an orientation - dedication meeting was held for volunteers.

From the outset, the project was opened to the entire Rowan Baptist Association and Rowan County. On August 6, 1991, the Missions Development Council submitted a proposal of sponsorship of the Medical/Dental Bus and it was approved.

Since April 13, many in the Rowan Baptist Association have had the privilege of sharing Christ's love through the activities associated with the North Carolina Baptist Medical/Dental Bus clinics. All have been volunteers, both professional and non-professionals with an average of forty each month, serving up to sixteen dental and up to eighteen medical patients. Some were Spanish speaking and interpreters were provided.

Health kits, with Bibles and tracts, were presented to the patients in the name of Jesus. These kits were prepared by the WMUs from churches in the Association. Other volunteers served as on-site assistants, provided transportation, served as counselors, registrars, meal/food providers, baby sitters, etc.

Nearly half the churches in our Association have been involved, plus three churches from outside our Association, and many non-Baptist. The project is open for all who have the love of Christ in their hearts and wish to share with others.

Our deep gratitude to Mrs. Judy Ginn and Mr. Earl Bullard, Project Directors, along with the many volunteers.

I trust the future will see many more worthwhile mission projects carried on in our Association.

Respectfully Submitted, Mr. David Clay, Chairman

MOTION AS PRESENTED TO THE ASSOCIATION CONCERNING SPONSORSHIP OF THE MEDICAL - DENTAL BUS

WHEREAS the Baptist Nurse's Fellowship, the Missions Committee of First Baptist Church, and others have sponsored the Medical-Dental bus to visit Rowan County one Saturday a month since April 1991, and:

WHEREAS those sponsoring this ministry have guaranteed the necessary funds for the first few months, and have organized and enlisted local medical doctors, dentists, nurses, and lay support personnel from many churches, and also have sought out patients who otherwise could not afford the cost of medical and dental services, and:

WHEREAS it has been the intention by the sponsors from the beginning to include all the churches of the Rowan Baptist Association in this ministry of mercy and compassion, and:

WHEREAS it is the stated purpose of the North Carolina Baptist Men, who own the bus, that local Baptist associations should sponsor and support this medical ministry whenever possible.

THEREFORE be it moved that the Rowan Baptist Association endorse, sponsor, and support this ministry by encouraging volunteers from the churches, both medical and lay, and that we pledge \$300.00 a month toward the operating expenses of the bus; with the following understanding:

1. Those that have labored faithfully to organize this ministry will continue to perform this administrative function.
2. That the Missions Development Council of the Rowan Baptist Association will organize itself, or form a sub-committee with the following duties: assist with the enlistment of volunteers, encourage the churches to support this ministry with their gifts, and keep the Association informed about this work.
3. That individual churches be encouraged to support a bus visit on their premises, and provide the funds for the visit.
4. That all of our churches be encouraged to support this worth-while ministry with their prayers, cooperation, concern, labor and finances.

STEWARDSHIP REPORT

For the last five years, the contributions from the churches have averaged an increase of approximately ten percent per year, not including the building program of the Association. We appreciate this and the stewardship of individuals with their time and prayers for the programs of the Association.

Provided in the budget for the new year is \$3,600.00 for the continued operation of the Medical/Dental Bus. This ministry has been well received and is serving a segment of the community with great need.

Last year the Association voted to start two new churches within ten years. Friendship Church has contributed \$3,278.79 for this purpose. We would ask other churches to consider giving to this program so that work could start in the near future to find places of need.

I would like to thank the members of the Stewardship Committee: Rev. Ed Daniel, Mr. Gary Earnhardt, Dr. Jim Harris, Rev. Jim Vickery, Rev. Jerry Wilkes and Mr. Don Livengood, Ex-officio member as Treasurer, for their work this year.

The purpose of the Stewardship Committee is to help the churches with the programs of good stewardship of our time and energy as well as returning to the work of the Lord that portion that is His.

Respectfully Submitted, Mr. Roy Greene, Chairman

DISCIPLESHIP TRAINING REPORT

The purpose for having an Associational Discipleship Organization is to assist the Baptist Churches in planning and providing a balanced Discipleship Training Program for all Baptist churches in the Rowan Association and their families. This includes new member training, member training, and leader training. A balanced Discipleship Training will include training in spiritual growth, doctrine, ethics, history, polity, and ministry skills.

"Share Heritage and Hope..." is the over arching theme for Bold Missions Thrust 1990-95, Directions 2000. The definitive statement for 1991-92 is Share Heritage and Hope... Embrace God's Word.

Discipleship Training is not just another program or organization, it is a way of life for the Christian Disciple. Jesus Christ our Saviour and Lord spent three years training His twelve disciples. Are we better than the twelve? We would like to encourage every Baptist Church in the Rowan Association to provide an opportunity of training for every new member and every church member. Christian training is not a suggestion of Jesus, it is a command, "Therefore go and make disciples of all nations...teaching them to obey everything I have commanded you...!" (Matthew 28:19-20 NIV)

On February 2, 1991, we had over one hundred people in a one day training seminar on witnessing led by Rev. Bill Hallman, Mr. Brian Farmer, and Rev. Chuck Brawley.

We encourage all our churches to have Baptist Doctrine Study for 1992 on the Doctrine of the Bible. We want every Baptist Church to report any and all training you may be doing in the course of a year. Please call upon your Associational Discipleship Training workers for help in your Church.

Respectfully Submitted, Rev. Bobby Seagroves, Director

MEDIA LIBRARY REPORT

T.A.C.M.O. had two very successful meetings at the Associational Office in February and September. Helpful and instructional video tapes were part of our programs as well as question and answer times as we shared with each other the best way to promote a church media library. Our meeting began at 10:00 a.m. and continued through lunch, with eight to ten in attendance. Book exchanges were also a part of our meetings.

Ten of our librarians attended the North Carolina Church Media Library Workshop that is held every year in April at Camp Caraway. Our ladies have been going to this workshop since 1985, when our TACMO was organized. We also encourage our ladies to attend Ridgecrest in the summer. Three of our librarians did attend this past summer.

There are 39 churches in our Association, and only 16 report having a library. It would be great if we could say that many more churches, even now, are considering the beginning of a library in their church. Your TACMO Director would be glad to help if you will just call.

Respectfully Submitted, Mrs. Elizabeth Hellard, Director

BROTHERHOOD DIRECTOR'S REPORT

"Extending the Kingdom through Marketplace Ministry" has been the theme of Baptist Men throughout the Convention. Encouraging the men of our churches in the Rowan Baptist Association to carry the Word with them to the work place has been one of our primary goals.

All the ministries of the Brotherhood are mission oriented. Jesus said " Go ye therefore, and teach all nations baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world. Amen." Matthew 28:19-20. "...as my Father hath sent me, so send I you." John 20:21b.

Jesus believed that training was important. He taught his disciples to pray, and he taught them by parables and by example long before he sent them out to the House of Israel. Luke 9:1-6. Because of this truth, the following people planned a Discipleship Training for the Association: Rev. Bobby Seagroves, Church Discipleship Training Director; Mrs. Ann Mount, Evangelism Director; Mrs. Carolyn Barker, Sunday School Director; Mrs. Vangie Miller, WMU Director; and Dr. Bill Snider, Brotherhood Director. It was held at North Main Baptist Church on March 2, 1991, from 9:00 a.m. until 3:00 p.m. with a noon lunch. Rev. Bill Hallman taught the adults; Rev. Brian Farmer taught the High School Baptist Young Men and Pioneers; and Rev. Chuck Brawley taught the RA's grades 1-6. The session was well attended.

On March 9, 1991, a World Walk for Home Missions was conducted by Rev. Bill Hallman and Rev. Chuck Brawley. Six churches participated.

The Baptist Men held a Prayer Breakfast at Days Inn on April 20, 1991. Rev. Clyde Yates was in charge. The guest speaker at the prayer breakfast was Mr. Raiford Troutman, President of North Carolina Baptist Men. Six churches were represented.

On July 27, 1991, the Mission Share-A-Thon was held at Enon Baptist Church and was a joint activity shared by Brotherhood and WMU. There were twenty exhibits by which the churches shared how they were doing missions. Music and entertainment were presented by several churches. The Disaster Relief Van was there for a walk-through inspection. Hot dogs, hamburgers, potato chips, and drinks were served at cost under a canopy of the van. Seventy five people signed the register; it was estimated that approximately 150 people attended the event.

The RA Man-Boy Camp out was held at the Snider Farm in Davidson County on September 14, 1991, with 20 men and 20 boys attending. The men and boys engaged in softball, volleyball, and hiking. Dr. Mark Brittain planned the recreation. Evening devotions were held by Rev. Bragg around a large campfire. Rev. Bill Hallman gave the morning devotions.

A joint WMU and Brotherhood Training Workshop was held at Trading Ford Baptist Church on September 26, 1991.

The Brotherhood Council, which includes leaders of Baptist Men, High School Baptist Young Men and RA's invite the brotherhoods of all our churches to participate in the 1991-92 events.

Respectfully Submitted, Dr. William H. Snider, Director

SUNDAY SCHOOL REPORT

The theme for Sunday School in 1991-92 is BREAKTHROUGH - REACH TO WIN. Because Sunday School is the vital lifeline to Church growth, Sunday School leadership has been encouraged to study the age-level Breakthrough study course books in order to be better equipped.

Rowan Baptist ASSISTeam attended ASSISTraining at Ridgecrest in the spring to learn about improvements in Sunday School literature and to prepare for leadership training. On August 11, an associational workshop to introduce the literature improvements was conducted at the Enon church. ASSISTeam leaders conducted age-level training at the Key Leadership training night at Stallings Memorial Church on September 12.

Each Sunday School is encouraged to use the Sunday School standard as a guide for planning and for goal-setting. The Associational Assisteam is available for assisting the leadership of each church in the Association. Team members are Mrs. Carolyn Barker, Director; Rev. David Blanton, Adults; Mr. Dan Craver, Youth; Mrs. Angie Craver, Children; and Mrs. Janette Seagroves, Pre-School.

Sunday School materials and emphasis encourage growth. I pray that your church will develop strategies that help your church to experience growth through an active, Christ-honoring Sunday School.

Mrs. Carolyn Barker, Director

VACATION BIBLE SCHOOL REPORT

The attendance of our Annual VBS Clinic has been steadily climbing for the past three years. There are two major reasons for the increased attendance and interest. First, we have had an excellent faculty for the past three years. Serving in 1991 were Mrs. Janette Seagroves, Mrs. Sherry Kale, Mrs. Clara Turrentine, Mrs. Becky Brawley, Mrs. Margaret Blair, Mrs. Marie Hocutt, Rev. Chuck Brawley, and Rev. Derald Adams. They all attended the State VBS clinic in Statesville on March 8 for an all day training session. The second reason for increased attendance and interest is the fine cooperation from the pastors and churches in getting their VBS workers to our Associational Clinic. The pastors are to be commended for encouraging their workers to attend the Associational Clinic.

We had 112 workers to attend our 1991 VBS Clinic from 18 of our 39 churches. We had six pastors present. We would like to encourage your church to be a part of our 1992 VBS Clinic. Trained and informed workers will enable your church to have a better VBS for our Lord. Enlist your VBS workers in February of 1992 and send our Associational Office a list of their names, addresses and telephone numbers. Our Associational Team will be contacting them about our Associational Clinic to be held in April of 1992. Thank you for your prayerful support for VBS in our Rowan Baptist Association.

Respectfully Submitted,
Rev. Bobby Seagroves
Associational VBS Director

WOMAN'S MISSIONARY UNION REPORT

The WMU Emphasis for 1990-91 was "Empowered." Our activities stressed sharing Christ's love with a lost and dying world and recognizing the Holy Spirit as the primary and ultimate power that leads and enables us to become personally involved in missions.

Our Annual WMU Prayer Retreat is a very special event which takes place the first Thursday in November every year. This is one of the best attended services in the Association. We met at the First Baptist Church of Salisbury on November 1, 1990. This was led by Mrs. Elaine Beaver, our Associational Mission Support Chairman. We invited the Brotherhood to join us. A catered meal was served by First Baptist. Our ladies brought care packets to be given to the Women's Shelter of Rowan County for battered and abused women and children. Our Associational Mission Action Chairman, Mrs. Boolie Collins, was in charge of this project. Rev. Gordon Weekly from Charlotte was the guest speaker.

On November 16, our Associational GA Director, Mrs. Susan Lippard, had a combination Bowling/Mission Action Party for the GA's from the churches. On February 9, she conducted a Mission Adventure Workshop for the girls to work on their required projects.

Mrs. Lois Reid, our Associational Acteens Director, and her assistant, Mrs. Judi Spry, taught the Foreign Mission Study to the Acteens from the churches at the North Main Church on November 17. They got a good overview of life at the Amman Baptist School in Jordan and the Islam religion. They learned a little of what it is like to be a Christian Witness in a country where Christians are a distinct minority.

Mrs. Donna Mahaley, our Associational Mission Friends Director, was in charge of a banquet for the Mission Friends Leaders on February 25. At this meeting the leaders shared ideas about how they work with the little children in their church and received a lot of "how-to" tips.

Our Associational Home Mission Study was held at the Enon Church on March 10. Mrs. Mary Dodd from Charlotte taught the adults. Mrs. Lois Reid taught the Acteens, Mrs. Susan Lippard taught the GA's, Mrs. Phyllis Sparks led the four and five year old Mission Friends, and Rev. Bill Hallman led the RA's. Our Associational Mission Study Director, Mrs. Margie Shoaf, was in charge of this event.

Our Associational Baptist Young Women Co-Directors, Mrs. Karen Pinyan and Mrs. Debbie Pinyan, planned an Associational BYW 20th Birthday Celebration for February 21 at the Faith Church. Mrs. Carolyn Richardson of Mooresville was the special speaker.

On March 19, Miss Carolyn Hopkins, from the State Office, came to speak with the Associational WMU Council on how to better do their work as Associational WMU Leaders.

Our Associational WMU Annual Meeting was held at the Dunn's Mountain Church on April 4. Rev. Bud Spencer, from Charlotte, who is a retired Missionary Evangelist, was the guest speaker. Mrs. Louise Pinnix installed our new WMU officers for the coming year.

We want to express our appreciation to all the WMU's in the churches for preparing care packets to be used when the Medical/Dental Bus is on location in Salisbury. Mrs. Boolie Collins, our Associational Mission Action Chairman, was in charge of this project. These packets were prepared in time to begin distributing them when the Medical/Dental Bus was first at the First Baptist Church of Salisbury on April 13.

The Associational GA Mother/Daughter Banquet was held on May 6 at the Faith Church. Mrs. Susan Lippard was in charge of this event. There were 178 reservations for this event. Mrs. Pat Frazier presented a very interesting program with a monologue on Annie Armstrong.

Mrs. Carolyn Barker handled the tickets and reservations for the 250 who attended.

Mrs. Lois Reid and Mrs. Judi Spry held an "Acteens Lock-in" at the Enon Church on May 10.

The new WMU Council members went to Caraway on June 14-15 for training. All WMU Council members went to the state training conference at the First Baptist Church in Asheboro on July 20 to prepare themselves to train our local church leaders at our Annual Leadership Training Conference on September 26.

On September 26, the WMU and Brotherhood Leadership Training Conference was held at the Trading Ford Church. There were classes for all age-level and task related directors. Dr. Bill Snider was in charge of the Brotherhood.

The Associational WMU Council has met five times this year for regular and annual planning. As we planned, we emphasized that we must be "Empowered" by the Holy Spirit as a team to carry out the work in the Association.

I appreciate the fine cooperation I have received from the Association as your WMU Director.

SIXTY-THIRD ANNUAL SESSION OF THE ROWAN ASSOCIATION'S WMU

The Sixty-Third Annual Session of the Rowan Baptist Associational WMU Annual Meeting was held on April 4, 1991, at the Dunn's Mountain Baptist Church beginning at 7:00 p.m.

Mrs. Vangie Miller, Associational WMU Director, presided over the meeting. She welcomed the 105 registered attenders representing 19 of our churches.

The theme for the Annual Meeting was "Empowered By The Holy Spirit." The Watchword for this year is taken from Ephesians 3:20-21 - "To him who by means of his power working in us is able to do so much more than we can ever ask or think of: to God be the glory in the church and in Christ Jesus for all time, forever and ever! Amen."

Reports were given by all age-level directors and mission directors. It was reported that new GA organizations have been started at Neel Road and Sherrills For Road Churches.

Mrs. Jessie Morgan, Associational Chairman of the WMU Nominating Committee, presented the slate of 1991-92 officers for election. The motion was made to and carried that they be elected. Mrs. Louise Pinnix then installed the new officers with a beautiful ceremony.

Mrs. Eva Clanton, from the Landis Church, sang our theme song "Empowered." Mrs. Nancy Jacobs, our Associational Music Director, sang "Holy Spirit (Touch), (Flow), (Live), Through Me."

Our featured speaker was Rev. Bud Spencer, a retired Missionary Evangelist from Japan. He spoke from Ephesians 6:18 and told us how to pray for the missionaries. He stated that we should not just pray that the Lord would "Bless the missionaries today" but to be specific when we pray. He gave us an outline of seven things to pray for:

1. Pray that our missionaries will constantly see the need of leading people to Christ. There is only one person out of every two hundred persons in Japan who know Jesus.
2. Pray for them as they tackle difficult languages.
3. Pray for them as they bring up their children in the foreign lands.
4. Pray for their medical and dental needs.
5. Pray for their loneliness.
6. Pray as they leave their children, parents and loved ones to go do God's work.
7. Pray for them as they face cultural frustrations.

Rev. Spencer told of his own experiences as he and his family worked in Japan. He stated that there are 3,870 missionaries in 121 countries. Pray that the Lord will give them souls for their labor.

Rev. Kenneth Bragg, Associational Director of Missions, led the closing prayer, after which refreshments were served by the host church.

Respectfully Submitted,
Mrs. Margaret Livengood
Associational WMU Secretary.

CONSTITUTION
(As amended October 29, 1992)

I. NAME

This body shall be known as the Rowan Baptist Association.

II. OBJECT

The object of this Association shall be to devise and promote measures for increasing the harmony and spiritual power of the churches within our bounds, to recommend plans for advancing the work of our Lord throughout the earth, and to cooperate with our Baptist State Convention and our Southern Baptist Convention in spiritual advance in such areas as Sunday School, Church Training, Woman's Missionary Union, Men's Brotherhood and Church Music with the understanding that cooperation with the state and southern Conventions is purely voluntary.

III. MEMBERSHIP

This body shall be composed of the ordained Baptist Ministers who are pastors of cooperating churches, our Director of Missions and messengers chosen and certified by the churches. Each church shall be entitled to two messengers for the first fifty members or any part thereof, and one messenger for each fifty above that number provided no church shall be entitled to more than ten messengers. And any mission sponsored by a member church shall be entitled to send two messengers from the mission membership. It shall be the duty of the churches to correspond annually with the Association by letter and messenger, and give in not only their statistical information but also facts concerning the general welfare and to send contributions to pay the expenses of the Association. The Clerk shall furnish the churches with two printed forms for their annual report, these to be mailed at least six weeks before the annual session of the Association, and the churches are requested to have the letters in the hands of the Clerk not less than two weeks before that meeting of the Association.

Missions sponsored by the Association and those sponsored by any cooperating church or churches of the Association shall be entitled to send representatives to participate in the annual meeting of the Association and to all meetings of the Executive-Promotion Committee, but such representatives shall not have the official voting rights.

Annual reports shall be received from all missions on printed forms furnished by the Clerk.

IV. OFFICERS

The officers of the Association shall be Moderator, Associate Moderator, Clerk, Associate Clerk, Treasurer, Sunday School Director, Church Training Director, Brotherhood Director, W.M.U. Director, Church Music Director, Seminary Extension Director, Associational Missions Development Director, Media Librarian. These shall be elected annually for a term of one year and the Moderator and Associate-Moderator shall not succeed themselves after serving two consecutive years.

V. TRUSTEES

In addition to the above named officers, the Association shall elect three (3) trustees each year who shall hold in trust all property and effects of the Association, take care of and keep the same in repair, accept gifts for the Association and perform all other duties which the Association may declare according to the laws of the State of North Carolina.

VI. MEETING

The Association will meet annually in two (2) sessions each year. One (1) in the spring (The fourth Monday in April). One in the fall (The fourth Monday in October). The spring session will be more of a praise meeting with elections of key leadership. These leaders will then attend the Key Leadership Conference in May. An outside speaker will be invited for this session. The fall session will be more information oriented with the book of reports, budget, and general business. The Annual Sermon would be preached at this session. Both sessions will be evening sessions (6:00 - 9:30 pm). The Association can be called into extra session if necessary by a majority vote of the Executive-Promotion Committee. All such sessions shall be conducted as prescribed in Robert's "Parliamentary Law".

VII. POWERS AND PREROGATIVES

The Association shall have no power whatever to infringe upon the rights or usefulness of the churches. It may devise or recommend measures of usefulness of their adoption and guidance, but cannot bind them in any way. The churches constituting the Association shall each retain complete autonomy under Christ as supreme Head, Lawgiver, Governor and Lord over His churches, and united only that they may more successfully promote the cause of Christ throughout the world. In case any conflict of interpretation shall arise as between this section and any other section of this constitution the interpretation of this section shall have precedence over the others.

VIII. COOPERATING CHURCHES

Any group of baptized believers in Christ, organized into a church, earnestly seeking to cooperate with our Baptist work in the Rowan Baptist Association, The Baptist State Convention and the Southern Baptist Convention, having been received into the fellowship of this association shall be considered a cooperating church.

IX. COMMITTEES

1. Executive-Promotion Committee. The Executive-Promotion Committee shall be composed of the duly elected officers of the Association, the pastors of all the churches within the Association and two (2) representatives from each cooperating church or mission sponsored by a cooperating church. The duties of this committee shall be to carry out the policies and will of the Association in the interim between its annual session. The Committee shall not take any action contrary to the will of the Association or which would initiate any new policies or procedures. the task of organizing this mission. After several persons present spoke in favor of supporting this work, a vote was taken and the motion to endorse and sanction the work of the Rowan International Fellowship passed unanimously. WHEREAS the Holy Bible calls any practicing homosexual relationship an abomination to God and a practice that will prevent such persons from inheriting the Kingdom of God; and,

WHEREAS the autonomy of every Baptist Church is acknowledged for differences of interpretation and conformity to the Holy Bible in faith and practice; NOTWITHSTANDING,

BE IT RESOLVED that the Executive Promotion Committee of the Rowan Baptist Association meeting on May 5, 1992, commend the Executive Secretary and like minded officers of the North Carolina Baptist State Convention and the Raleigh Baptist Association, for their efforts to hold forth the Word of God in love in encouraging the aforementioned churches to repent of their flagrant disregard of God's clearly revealed will; and,

BE IT FURTHER RESOLVED that the Executive Promotion Committee of the Rowan Baptist Association meeting on May 5, 1992 deplore this violation of God's Word, and we support and encourage withdrawal of fellowship and cooperation and the refusal of funds from any churches that approve of active homosexual relationships, according to clear Biblical procedure, until such time as those churches may repent, thereupon being lovingly and gladly accepted back into fellowship and cooperation.

They apparently tried to resolve it over a number of months but did not. A good many of their members left and it was out of this group that a group went to the pastor, after he had resigned, to discuss the possibility of starting a new church, which they did." Rev. Bragg went on to explain that he had offered the use of the Associational Building for their temporary use. Rev. Bragg also asked that "we also pray for Oakland Heights, that they will continue to be a viable church, that will secure good pastoral leadership and that they will also grow." Rev. ASSOCIATIONAL BROTHERHOOD DIRECTOR'S REPORT:

The vision of North Carolina Baptist Men, biblically, is that all Christians are "called, gifted, and sent." The Associational Brotherhood and the Church Brotherhood are to help the men of the churches to develop and use their spiritual gifts. This would result in winning more souls to Christ.

We now have many Baptist Men's Organizations and RA Chapters in our Association. It is my vision to see all the churches in the Association have Brotherhoods that includes Baptist Men, High School Baptist Young Men, RA's (Lads, Crusaders, and Pioneers.) I believe this is possible within our Association because with the leadership of the Holy Spirit, of the, Holy Spirit, all things are possible. This will be of my daily prayers. I pray that all pastors and leaders of our churches will pray seriously about this matter.

Brotherhood activities during 1991-92:

Rev. Bill Hallman led the RA's walk for Foreign Missions on November 2, 1991.

The Baptist Men's Prayer Breakfast was held at Days Inn Restaurant on November 9, 1991. Raiford Troutman, President of North Carolina Baptist Men was the guest speaker. There were approximately 25 men present, representing six churches. Rev. Clyde Yates was in charge.

The Lay Witness Workshop was held at Friendship Baptist Church on February 29, 1992. Rev. Bobby Seagroves, Associational Discipleship Training Director, planned the workshop.

The Baptist Men and Wives Banquet was held at Trading Ford Baptist Church on March 20, 1992. There were 70 Baptist Men and wives from nine churches present. The meal was catered by the Chicken and Oyster Shack. Dr. Bob Nash, a career missionary, gave an inspirational message. He was accompanied by his wife Jan. Bob serves with the Foreign Mission Board in the Philippines and South East Asia. He served as president of the Baptist Theological Seminary in Manila before returning to the United States. He is now serving with the Foreign Mission Board in Richmond, Virginia.

The Walk for Home Missions was held at Dan Nicholas Park on March 28, 1992 and was led by Rev. Bill Hallman. RA's from two churches participated.

A Prayer Breakfast was held on Saturday morning, April 11, 1992, at South China Grove Baptist Church. The meal was furnished and prepared by their Baptist Men. Rev. Samuel Wlue, Pastor of the Rowan International Fellowship, gave a very inspirational message. There were approximately 30 people present, representing ten churches.

An Associational Brotherhood and WMU Leadership Workshop was held at the Trading Ford Baptist Church on September 24, 1992. In the Baptist Men's group there were 20 men from 14 churches present. Sanford Smith led the training. Robert Nichols, State RA specialist, taught the Lad and Crusader Workshop. There were eight leaders from five churches attending this workshop.

A major event of North Carolina and the Rowan Baptist Association was the visit of the Polish pastors. Robert Blank was well received by the nine host churches in our Association. I appreciate the support of the churches in our Association in raising funds for Robert Blank's visit. Without this support the visit would not have been possible.

Another major event has been the support of the Association in helping with the relief of the victims of Hurricane Andrew in South Florida. Paul Wilson, Region five Disaster Relief Director, led the first group to work with the North Carolina Baptist Men's Disaster Relief Van. They were set up to serve meals three hours after the hurricane passed. He led two more groups in the weeks following. There were 86 people involved in the three trips. There

were over 150,000 meals served. The van has been brought back to Trading Ford Baptist Church for repairs. After the repairs, it will be sent back to Florida to continue with the relief effort as long as it is needed. Rick Johnson, Associational Disaster Relief Ministry Coordinator, led a group of 24 volunteers representing nine churches in Region 5 and three people outside the denomination. They put temporary roofs on 34 houses, allowing families to move back into their homes. I wish to thank all the people who worked directly with the Disaster Relief Van and the Clean-up Recovery groups for their participation in this effort. I also wish to thank those who gave so generously to make these efforts possible.

ASSOCIATIONAL DISCIPLESHIP TRAINING REPORT:

Many people ask the question, why have Discipleship Training? Discipleship is the Christian's lifelong commitment to the person, teaching, and spirit of Jesus Christ. Life under Jesus' lordship involves progressive learning, growth in Christ-likeness, application of biblical truth to every area of life, responsibility for sharing the Christian faith, and responsible church membership. Without a planned Discipleship Training Program in the local church we cannot effectively carry out the Great Commission found in Matthew 28:19-20 "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world."

What does the Bible say about Discipleship Training? Jeremiah 29:11, NIV, "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." Proverbs 16:9 LB, "We should make our plans counting on God to direct us." Proverbs 29:18 "Where there is no vision, the people perish." Philippians 3:13, 14 NIV, "One thing I do...I press on toward the goal to win the prize for which God has called me."

Share Heritage and Hope ... EQUIP BELIEVERS is the Bold Missions Thrust for 1992-93. With the focus on equipping believers, 1992-93 would be an excellent year for churches in our Rowan Association to concentrate on starting and improving Discipleship training programs. The Sunday School Board will provide \$100.00 worth of literature free to a church starting a new program. Contact our Associational Office for help in starting or improving Discipleship Training in your church.

ASSOCIATIONAL MEDIA LIBRARY REPORT

The Associational Church Media Library Organization ---TACMO--- continues to meet twice a year. An average of eight Librarians come together to fellowship, share ideas, and hear the latest information concerning library work. One bit of new information is that the Southern Baptist Church Media Library will celebrate 50 years of service to the churches in 1993. The Rowan County TACMO will bring this to your attention again.

Six librarians attended the North Carolina Church Media library workshop at Camp Caraway in April. In May 1993 the workshop will be held at Fort Caswell for two days and nights. The North Carolina Church Media Library Director, Bob Goode, feels that this will give more time for study and instruction. The time spent at the workshop is very helpful and worthwhile. You can learn HOW TO CLASSIFY AND CATALOG; HOW TO PROCESS BOOKS; HOW TO ADMINISTER AND PROMOTE A Library...AND you also get study course credit.

Invitation to this workshop is open to any who might want to go. Reservations can be made through your TACMO Director.

Mrs. Elizabeth Hellard
TACMO Director

ASSOCIATIONAL MISSIONS DEVELOPMENT COUNCIL REPORT:

The Mission Development Council met this past year with representatives from the various organizations present. Topics of discussion were what each leader of the organizations wanted to see happen in their respective organizations in the Association, and to come up with some long range plans, and when we as an association could implement the plans, beginning with the 1992-93 year.

There was excitement as we talked and listed projects that we could at some point undertake in the association. One thing that was uppermost was the desire to see a "Spanish Speaking Mission" started in Southern Rowan County. This was put on hold because we had two new works that began in 1991-92. Those two new works consists of the Rowan International Fellowship (a mission with Rev. Samuel Wlue as pastor) and Carmel Baptist Church with Rev. Roby Linebarger as pastor. We need to pray and encourage them in this new work and help them get started before we start another work. During 1992-93 we want to start laying the ground work for a Spanish Speaking Mission. There is a great need for this because in Southern Rowan County we have many migrant workers that live there year round.

Another topic of discussion was that there is also a great need for literacy classes, English classes as a second language and many more projects too numerous to list. These Projects are some that we want to look into this year with the Spanish Speaking Mission at the top of the list and then implementing others as we can.

The Medical/Dental Bus has done and is doing a great job. A very special thank you goes to Mrs. Judy Ginn and those who have worked with her. The volunteers, technicians, churches, and to all who participated. This ministry has reached the lives of many people. The needs of the people were both physical and spiritual and what a great way to share the love of Jesus Christ with these people.

I have asked Judy to write the report on the work done with the bus ministry. Continue to pray for this Council as we strive to work in the Association to the glory of God.

Respectfully submitted,
Mrs. Ann Mount, Director
Missions Development Council

ASSOCIATIONAL MEDICAL/DENTAL BUS MINISTRY REPORT:

The North Carolina Baptist Medical/Dental Bus, which began ministry sponsored by the Rowan Baptist Association in April, 1992, has continued to hold mobile clinics in November 1991, and December 1991, when all previous bus patients were invited to a Christmas dinner with devotional speaker at First Baptist Church, Salisbury. The Bus continued to come in 1992 in January, February, March, and April, setting up in the First Baptist Church, Salisbury, parking lot, with the Trading Ford, North Main, Salisbury First, Dunn's Mountain, Enon, Faith and other churches providing meals and volunteers to help with witnessing and counseling and with distributing Health Kits prepared by the WMU groups in our churches.

In May, the Bus met at Landis Baptist Church, with that church's Hispanic congregation providing lunch and arranging for patients from Patterson farm employees to be seen for medical and dental care. The Bus returned to First Baptist, Salisbury for the August clinic, when Faith Baptist provided the food and volunteers. GA's from North Main assisted during that clinic.

For the year, the Bus staff has seen between 15 and 18 medical patients and 10-13 dental patients during each clinic. Volunteer dentists, physicians, nurses, and dental assistants from many churches, Baptist and non-Baptist, have worked as well as lay volunteers providing Spanish translation, registration, transportation, on-site assistance, fellowship and food. All have witnessed the love of Christ and shared friendship with the bus patients and their families.

The Bus Committee asks that you pray for this ministry, as we determine new avenues through which we may best serve our Lord through medical and dental service.

Respectfully submitted,
Mrs. Judy Ginn
Medical/Dental Bus Committee

ASSOCIATIONAL STEWARDSHIP COMMITTEE REPORT:

We appreciate the continued support from the churches of the Association. Provision has been made in the budget for continued support for the Medical/Dental Bus, help for two new churches - Rowan International Fellowship and Carmel Baptist Church.

The Lord will bless you for your response to the need caused by Hurricane Andrew in Florida, both in financial aid and giving of your time and talent.

May we always strive to minister and witness the Good News of Jesus Christ our Lord.

I thank the members of the Stewardship Committee for their time and effort.

Respectfully Submitted,
Mr. Roy Greene, Chairman
Associational Stewardship Committee

ASSOCIATIONAL SUNDAY SCHOOL REPORT:

Continuing the third year BREAKTHROUGH theme in Sunday School throughout the Southern Baptist Convention, the theme for 1992-93 is BREAKTHROUGH - EQUIP TO WIN. This emphasis in increasing both enrollment and attendance has resulted in a record enrollment now exceeding 8 million convention wide. This kind of increase must be supported by each individual church in each individual association.

Rowan Baptist ASSISTeam attended ASSISTraining at Ridgcrest in the spring to learn about ways to assist local churches to set goals and train church leaders to direct the BREAKTHROUGH-EQUIP TO WIN emphasis. The following Goals were suggested for each church in 1991: Increase Sunday School enrollment 9.2 percent; increase Sunday School average attendance for the year 9.2 percent; increase in number of unsaved persons 10 years of age or over enrolled in Sunday School 9.2 percent; increase in Sunday School Leadership Training Awards 9.2 percent; conduct 2 or more ReachOut groups; and increase ratio of baptisms to Sunday School enrollment. The goals for 1992-93 follow the same ideas, but the percentage changes to 9.3 percent. The percent increases because there are more lost persons in our community than ever before. We must BREAKTHROUGH the barriers to win people to Christ.

Key Leadership training was provided at First Baptist Church in Spencer on September 10 for Sunday School workers by Janette Seagroves, Pre-School; Cathy Hopkins, Children; Rev. Brian Farmer, Youth; Rev. David Blanton, Adults; and Carolyn Barker, Adults.

The Associational ASSISTeam is available for assisting the leadership of each church in the Association. Please accept with urgency the challenge Paul gave to Timothy in II Timothy 2:15: "Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth" (NIV). EQUIP TO WIN that 9.3 Percent for 1992-93.

Respectfully submitted,

Mrs. Carolyn Barker

Associational Sunday School Director

ASSOCIATIONAL VACATION BIBLE SCHOOL REPORT:

The attendance at our annual Vacation Bible School Clinic has been increasing for the past four years. Our faculty was looking for a record breaking attendance at our 1992 clinic. Our associational faculty had everything ready, each age group leader had made all the necessary preparations and we were expecting the best associational clinic ever. On the night of the clinic, April 21, 1992, we had a very bad storm to come through Rowan County and all but wipe out our Associational Vacation Bible School Clinic. We had 38 brave workers to attend the clinic with 12 churches represented.

We want to say a big "thank you" to all those leading our 1992 VBS Clinic. They all attended our State Clinic. Those helping were: Rev. Derald Adams, Mrs. Marie Hocutt, Rev. Chuck Brawley, Mrs. Margaret Blair, Mrs. Becky Brawley, Miss Deana Trexler, Mrs. Lib Hawkins and Mrs. Janette Seagroves.

I appreciate so very much the fine cooperation we are having from our pastors in getting their workers to the Associational Clinic. We want to encourage every church in our association to elect your 1993 VBS workers in February and encourage them to attend the Associational Clinic in April 1993. Thank you for your prayerful support of VBS in the Rowan Baptist Association.

Respectfully submitted,

Rev. Bobby Seagroves, Associational VBS Director

ASSOCIATIONAL WOMAN'S MISSIONARY UNION REPORT:

The WMU Emphasis for 1991-92 was "Called and Accountable." The activities promoted helped us as members of Woman's Missionary Union to respond to God's call and to be an accountable steward.

Our Annual WMU Prayer Retreat is a very special event which takes place each year on the first Thursday in November. We met at the Oakdale Church, having a very well attended service. Mrs. Elaine Beaver, Associational Mission Support Director, and her assistant, Mrs. Lynn Martin, led in this event. Mrs. Rose Adams and Rev. Fleet Kirkpatrick brought the special music. Mrs. Adams gave her testimony and Rev. Kirkpatrick brought the message. Ladies in attendance brought canned foods and paper products to be taken to the Rowan Helping Ministries. Mrs. Boolie Collins, Associational Mission Action Director, led in this mission action project.

On November 12, Mrs. Lois Reid, Associational Acteens Director, and her assistant, Mrs. Judi Spry, had a pizza fellowship for the Acteens at the Enon Church. Mrs. Jeanie Connell of "Roots Outreach" presented a ministry in music and message. Mrs. Reid also conducted an Acteens Leadership Breakfast on December 7 for the Acteens leaders in the churches.

The WMU organizations in the churches contributed personal items and monetary donations to our Winter Mission Action Project "Operation Santa Claus" at Broughton Hospital. Dr. Bill Snider, Associational Brotherhood Director, and Rev. Clyde Yates, Baptist Men's Director, delivered these to the hospital. We received a very nice thank you letter from Mrs. Frances Pittman, Director of Volunteer Services at the hospital.

Mrs. Joy Gardner, Associational Mission Friends Director, had a meeting for the leaders of Mission Friends at Quincy's on February 25.

For our Spring Mission Action Project, the churches were asked to fill large Easter baskets with personal items for the mentally retarded men and women who live in group homes known as Rowan Homes, Inc.

Our Annual WMU Meeting was held at the Landis Church on April 2. There were 122 persons registered with 18 churches represented. The GA's and Acteens of the Landis Church presented special music and a play. Mrs. Faye Bragg was the speaker of the evening. Mrs. Marcia McQueen, Mission Friends and GA Consultant with the WMU of North Carolina, spoke on "Company's Coming." She told about WMU conducting a media campaign to introduce WMU to more women. Four page inserts were to appear in the May issues of five magazines (Better Homes and Gardens, Family Circle, Good Housekeeping, Parents and Woman's Day.) The 1992-93 Associational WMU Officers were installed by the Director and her assistant, Mrs. Leon Snider.

Mrs. Mary Worley, Associational GA Director, and her assistant, Mrs. Susan Lippard, were in charge of the GA Mother/Daughter on May 4 when 180 persons were registered. The GA's shared with the group on the work they are doing in their churches.

The WMU from each church was asked to make stuffed bears and hand puppets for the Medical/Dental Bus as another one of our Mission Action projects. Mrs. Jessie Morgan, Associational Baptist Women's Director, and her Banquet Committee, were in charge of the annual Associational Baptist Women's Banquet held on May 28 held at the Salisbury First Church. Rev. Lou Harlow, a missionary on leave from Manzini, Swaziland, Southern Africa, was the speaker. The. Heaven Bound Ladies Quartet from the Stallings Memorial Church provided the special music. A delicious meal was prepared and served by Mr. John Poteat and his staff at Salisbury First to the 250 people attending the banquet.

On May 2, Mrs. Lois Reid and Mrs. Judi Spry led in a "Fun-A-Thon" at Dan Nicholas Park for the Acteens with Lunch, recreational activities, a devotional, and a sharing time.

On August 1, seven ladies on the Associational WMU Council went to Caraway for a day of training to be able to lead the Leadership Training workshop on September 24. On September 24 this workshop was held in conjunction with the Brotherhood workshop. This joint meeting has proven to be very successful. There were WMU classes for all age-level and task related directors. Dr. Bill Snider was in charge of the Brotherhood.

Our Foreign and Home Mission Studies were held in the individual churches this year. Mrs. Margie Shoaf, our Associational Mission Study Director, made herself available to teach any of these events.

The Associational WMU Council met four times during the year for regular and annual planning. As we planned, we emphasized that we must be "Called and Accountable" as an individual and as a team to carry out the work of our Lord in our Association.

This year our Rowan Associational WMU received the Distinguished Award for the 1991-92 year.

I appreciate having had the privilege of serving as Your Associational WMU Director for the past two years. I trust you will give the same fine cooperation to your new Associational Director, Mrs. Brenda Vickrey, who is a member of the First Baptist Church in Rockwell.

Respectfully submitted,
Mrs. Vangie Miller
Associational WMU Director

MINUTES OF THE SIXTY-FOURTH ANNUAL ASSOCIATIONAL WMU SESSION:

The 64th Session of the Rowan Baptist Associational WMU Annual Meeting was held on April 2, 1992, at the Landis Baptist Church beginning at 7:00 p.m. Mrs. Vangie Miller, Associational WMU Director, presided over the meeting. She made announcements and welcomed the 122 registered persons representing 18 of our churches.

The theme for the Annual Meeting was "Wherever He Leads." The music was directed by Mrs. Nancy Jacobs, with Mrs. Celeste Gregory at the piano. Special music was presented by the Acteens and GA's of the Landis Church.

Reports were given by all age-level directors and mission directors. Mrs. Julia Wilson, Associational WMU Nominating Committee Chairman, then presented the nominations for the new slate of officers. After these were approved, Mrs. Vangie Miller, assisted by Mrs. Leona Snider, Associate WMU Director, conducted a very beautiful installation service.

Mrs. Marcia McQueen, Mission Friends and Girls in Action Consultant of the WMU of North Carolina, spoke on "Company's Coming." She informed us that Woman's Missionary Union will be conducting a media campaign to introduce WMU to more women. Four-page inserts will appear in the May issues of five magazines (Better Homes and Gardens, Family Circle, Good Housekeeping, Parents, and Woman's Day), primarily in states in the South and the Southeast. Interested persons will be encouraged to call a toll-free number, order a free video, and to contact a local Southern Baptist Church. She stated that every pastor and/or secretary who would be answering the telephone at the church when these calls come in, should be well informed on WMU work. They should be able to give a very positive answer about WMU work in their church and to invite the person on the telephone to visit their church and see first-hand what it is all about. We must "tidy up" for our company, both those in our church who will see WMU in a new light, and those outside our church who may show an interest. She said "tidy up" means to evaluate what we are doing to make sure it is high quality. We want to be what we say we are.

Mrs. Faye Bragg was the speaker of the evening. She spoke on the WMU Theme of the Year - "Called and Accountable." Our Watchword for the Year is: "But when the Holy Spirit comes upon you, you will be filled with power, and you will be witnesses for me in Jerusalem, in all of Judea and Samaria, and to the ends of the earth." (Acts 1:8 TEV). We are to lead individual members of WMU to respond to God's call and to be accountable stewards by:

1. Becoming sensitive to a lost and hurting world
2. Being witnesses to the lost
3. Ministering to persons with emotional, spiritual, and physical hurts
4. Strengthening WMU in quality and quantity
5. Being a catalyst to help church members act on the leadership of the Holy Spirit in fulfilling the Great Commission

Rev. Ken Bragg, Associational Director of Missions, led the closing prayer after which refreshments were served by the host church.

Respectfully submitted,
Margaret Livengood
Associational WMU Secretary

THE ROWAN BAPTIST ASSOCIATION

Post Office Box 1674, Salisbury, NC 28145-1674
Rev. Kenneth Bragg, Director of Missions - Phone (704) 637-3407

We dedicate this 1993 Annual Report to all the individuals named herein and to those unnamed church members who support the work of the association through their giving, prayers and attendance at the various meetings.

We especially want to thank those individuals who hold some elected office. These number more than 200 serving as general officers, staffing the program organizations, and serving on various committees. They give countless hours of their time and talent to make the Rowan Baptist Association what it is today.

Most of you know that I will be retiring at the end of March 1994 as your Director of Missions, a position I have held since July 1, 1978. Faye and I have been greatly blessed while serving with you in this part of our heavenly Father's vineyard. So many of you have become our dear friends. We will treasure that relationship as long as we live.

Continue to lift us up in your prayers. In retirement we want to serve as much as possible. We plan to continue living in the same house, 208 Rutherford Street, Salisbury. Call or visit as your time will allow.

Your search committee will soon become active, seeking a highly suitable minister to become your new Director of Missions. Be much in prayer for their work. When that person has been found and elected, I am confident you will support him in every way.

Let me challenge everyone to pursue spiritual vitality in Christ. Earnestly seek the leadership of the Holy Spirit. Surely the Lord wants to do mighty things to purify and bless His people. Do not be slack concerning worship, stewardship, evangelism and missions. Always keep clearly before you the supreme importance of the gospel. In Christ is the remedy for sin and the abundant life.

Pray for and support your local church and this association of churches. Especially give encouragement to your pastor. He carries a heavy load and he is human. May the prayer of the psalmist long ago be our prayer: "Bless the Lord O' my soul, and all that is within me bless His holy name."

Your fellow servant in Christ,

Kenneth R. Bragg

MINUTES OF THE SIXTY-SIXTH SEMI-ANNUAL MEETING OF THE ROWAN BAPTIST ASSOCIATION - FALL SESSION

The Association meet on Monday, October 25, 1993, 6:15 pm at Salisbury First Baptist Church, 223 North Fulton Street, Salisbury, North Carolina. The Spring session of the Rowan Baptist Association was then called to order by Mr. Phil Bottoms, Associational Moderator. The moderator then introduced special guests which included the new pastors in our association and the agencies and colleges representatives present.

BUSINESS WAS AS FOLLOWS:

(1) Rev. Jerry Wilkes, representing the Program committee, made a motion that the printed program be accepted as the order of service with allowances as allowed by the moderator and the floor. This motion carried.

(2) Rev. Kenneth Bragg, Director of Missions, then made an associational year end review. He pointed out that the digest of letters showed that our association gives seventeen point eight percent (17.8%) to differing missions while we give only one point three percent (1.3%) to our association. He pointed out our need for more solid support from our churches. Rev. Bragg then made announcement of his intention to retire as Director of Missions effective March 31, 1994. He expressed that "Time stands still for no man." He explained that as time passes we often face despair concerning the changes that take place in our lives. Changes that reflect the ageing process as we grow older. He also pointed out that time can bring hope. Hope that God is making all things new, changes in the right direction. He finally shared that time brings destiny. He stated that Jesus has a grand future for us - An endless kingdom. He explained that he heard the call to Christian ministry in 1947. He knew that a call to ministry was also a call to prepare through education, spiritual development, active ministry and accepting the transitions that come with a life dedicated to such ministry. He expressed gratitude for fifteen (15) years of service as Director of Missions in the Rowan Association.

(3) Following a presentation of special music, Rev. Mark Walton preached the annual sermon "Why Is God's House Forsaken?" with Nehemiah 13:1-11 as his text. He called attention to the parallels between the crisis in Nehemiah's day and the crisis in our day. He explained the character of the crisis as the Word of God being secondary, wealth being squandered, workers scattered, worship stopped, work on the Sabbath, wedlock being a

sham and wrongdoing being sanctioned. He then pointed out the causes of the crisis as Tobiah's allegiance to a person other than God, an agenda inconsistent with God's purposes, arrogance despite the power of God, animosity toward the people of God, ambition to reach the place of God, apathy regarding the precepts of God and an alliance with the priests of God. Finally he pointed out the cure for the crisis as God's people reading the scripture, recognizing the sin, removing the sacrilege, restoring the sacred and returning to service. Rev. Walton then called for everyone present to tune their heart to God and to be willing to be freely used of God. He then led in a prayer of commitment.

(4) The moderator then called for a motion to accept the resignation of Rev. Kenneth Bragg effective March 31, 1994. Such a motion was made with an expression of gratitude for the many years of faithful service to our association by Rev. Bragg. This motion carried.

Following a second to the motion, the motion carried with opposition.

(7) Rev. Mark Walton, representing the Nominating Committee, presented that committees nominations. After someone from the floor pointed out that the name of Bob Davis, Sr. contained on the report should be Bob Davis, Jr., the motion to accept the report of nominations carried.

(8) Mrs. Joyce Simmons, representing the Memorial Committee, presented that committee's report to the association. She then read a poem concerning those that have passed on to glory.

*(Following a break with refreshments provided by Salisbury First the meeting was reconvened at 7:45 p.m.)
(The second half of the meeting started with the congregation singing several hymns.)*

(9) Mr. Don Livengood, Associational Treasurer, then presented the associational financial report for the past year. The report was adopted.

(10) Rev. Jerry Wilkes, representing the Stewardship Committee, presented the proposed budget for the coming year. Mrs. Ann Mount then made a motion that the line item concerning the secretary's overtime pay be deleted. Following several comments and questions concerning whether the secretary's pay could be considered salary and whether her hours worked off the clock were legal a motion to call for the question was made and received a second. This motion carried as did the motion to delete the secretary's overtime pay. Rev. Ron Heddle suggested that the matter be placed with the Personnel Committee for further study. A question was asked from the floor concerning what budget item the expenses of the Director of Missions Search Committee's expenses would come from. It was explained that their expenses would come from the contingency fund unless another budget line item is added later. The motion to adopt the amended, proposed budget (The revised form of which appears elsewhere in this annual) then carried.

(11) Mr. Jimmy Carter, one of our associational trustees, then made the following report from the trustees:

"On August 10, 1993, the Executive promotion Committee (Board) of the Rowan baptist Association voted to authorize the sale of a tract of land consisting of eight and one-half acres of land, located about a mile from the Trading Ford Baptist Church on Long Ferry Road. Headinger, Sr. Brother William Monroe Headinger died on October 17, 1992 and his estate was closed on August 12, 1993.

Rev. Kenneth R. Bragg, Director of Missions for the Rowan County Baptist association, requested the trustees of the Association to look into the probate process and determine if this was a proper time to proceed with the disposition of the land. We determined that it is.

We were then asked to establish a procedure for the sale of said land. At a meeting of all the Trustees, along with Reverend Bragg, the trustees adopted the following method of sale:

- (A) Brother Paul Wilson will be in charge of the sale.
- (B) He will first have a survey or look at the property and recommend whether the property should be sold as a whole or in lots.
- (C) The appropriate survey will be made.
- (D) Brother Wilson will receive bids from all interested persons on the entire tract, or lots, as the trustees decide is appropriate.
- (E) All necessary expenses will be deducted from the sale price and the balance paid into the Rowan Baptist Association.
- (F) An appropriate resolution shall be furnished to the Headinger Family in recognition of this wonderful gift and the parents it honors.
- (G) The Trustees will make a final report when the sale is completed."

Jimmy Carter,
Duard Gardner,

MISSIONS DEVELOPMENT COUNCIL REPORT

The Associational Missions Development Council of the Rowan Baptist Association met a number of times to continue to look into what we as an association needed to be doing in the area of starting new work.

The leaders of the various organizations in the Association who serve on the Missions Council report to the Association on the work they are doing.

This year we had another mission started. That is three new works in the last three or four years. With this in mind, we did not feel it wise to start another work at this time.

The three works are: Rowan International Fellowship, Carmel Baptist Church, and the one started this year is Main Street Mission in China Grove with Rev. Larry Beaver as the pastor.

The last conversation I had with Larry, he told me they were having about 100 on Sunday. That is great! This mission is less than a year old. Rev. Beaver has challenged his young congregation on a number of challenges and this congregation has met these challenges. Carmel Baptist and Main Street Mission have bought or are looking to buy property on which to build a church. The Association needs to support these young congregations every way we can. The Association voted a few years ago to start a new mission, one every five years.

The Missions Development Council still has plans to start the ground work to study areas in our County to see where this work needs to be. The need for a Spanish Speaking Mission is still a very much needed work in our area.

At the Key Leadership Conference in Ridgecrest, I attended the conference on Missions Development and I talked with the leaders of the conference about the work of a Spanish Speaking Mission and was told the State Office would give us help when we determined what area the work would be in. The State Office in Cary can give us the logistics when we give them the area we want the information on. This can and will help us to determine where the work is needed most.

I believe this next year will be one of Change, Challenge and Excitement in our Association. Let's continue to explore avenues where God's work can and will reach out to people, to meet needs where they exist.

Continue to pray for this Council as we do God's work in our Association.

T.A.C.M.O. - The Association Church Media Library Organization

While attending the Church Media Library Leadership Conference at Ridgecrest in May of 1984, I heard Mr. James Rose (who at that time was Consultant for the Church Media Library Department at Nashville, Tennessee) make this statement: "You don't have to be an expert to be a TACMO Director." Rev. Ken Bragg had asked me to represent the Rowan Baptist Association in this conference as he had done in years past, but this time that statement seemed to penetrate my heart and mind. God said to me, "You can do it." With an interest of library work being so much a part of my life, I immediately told Rev. Bragg that I would be the Rowan Association Church Media Library Director.

Our first meeting was the last of May when all leaders who had attended Ridgecrest could report on the information that was received in the conferences. Three Library Directors came and they promised to help me organize TACMO. They were: Betty Ruth Hood, Mary Wyatt, and Louise Bass. They have proved to be some of my most faithful supporters.

The next meeting was the Rowan Association Quarterly Leadership Conference at First Baptist Church in August of 1984. Survey sheets were sent from the Associational Office to each church (at that time there were 39 churches) to find out where the libraries were located and to let them know about the TACMO meeting. Only eleven churches responded and only nine reported a library and not all were active. Before our meeting, I called each pastor and encouraged them to send someone to our meeting even if they did not have a library. I made other personal phone calls and began to buy materials that would be of help to the directors. This material was offered for loan - thinking this would promote enthusiasm for the work. Only twelve people came. Most of these continued to come and support TACMO through 1993. For my programs I taught the Church Library Manual and other books so that the directors could get their study course credits.

I offered to help libraries that wanted to get started or wanted to revive their library. One responded - Faith Church did ask - Mrs. Jimmie Winecoff called, and along with her staff, we were able to get them working and they really took hold and today it is a thriving and wide-awake library. Wyatt's Grove Church sent ladies to our TACMO meetings and now they are beginning to be an active library. They were encouraged with the books we could loan them as well as the books we gave them through our book exchange.

One of the outstanding promotion ideas was held the year of 1986 when we asked Mr. James Rose to come teach one of our How To Books. We designed a flyer with all the information and mailed each pastor one and also placed an article in the newspaper. We even supplied a free meal because the study would be five hours long and would include the evening meal. We invited all leaders of the churches because we felt that the leaders needed to become aware of how the library could help each organization function better by having a library to help with their needs. We sent the flyer to our sister associations and six people came. **NOW - HOW MANY CAME FROM OUR ROWAN ASSOCIATION???? - NONE**

We felt the need for training, so our Library Directors attended the North Carolina State Convention Church Media Library Workshop at Camp Caraway every year beginning in 1985 through 1993. We have an average of six attending each time - one year we had nine. The Association paid for the transportation and the ladies paid the rest of the fee. Our TACMO group also took advantage of other studies that were offered by the Mecklenburg Association.

We changed our time of meeting because we were having a problem. Some of our ladies were involved in other organizations and when we had the quarterly conference meetings, they were required to be in other places at the same time. We realized that the ladies who were coming to our meetings could attend in the day time, so we changed and started meeting at 10:00 a.m. and continued until around 2:00 p.m. We brought our lunch and really enjoyed a good time of study and fellowship together. When the new Associational Office became available, it was ideal for our meetings.

Our last great emphasis was the Celebration of 50 Years of Southern Baptist support of Church Media Library work. TACMO had a place on the program of the Semi-Annual Associational Meeting on October 25, 1993. Testimonies were given by selected persons to impress the people the value of the library in their church. Also, all the churches that would take part, made posters to promote their church library and give information concerning the activities of each. We were pleased with the response of the people at the close of the Associational Meeting.

This is the final year for Elizabeth Hellard as TACMO Director. I have enjoyed every minute of my work with the ladies who supported me in this work. I would like to leave one last thought - Libraries are important to

all Christians and Non-Christians. Also a quote from the former Sunday School Board President, Dr. James L. Sullivan: "Those who handle church libraries have been called of God, too, and they are doing their bit in the laying up of treasures, golden and eternal."

Mrs. Elizabeth Hellard, Director 1984-1993

VACATION BIBLE SCHOOL REPORT

Vacation Bible School in the Rowan Association for 1993 started with a regional training clinic for the associational workers on March 4, 1993 in the Monroe First Baptist Church. Most of our associational workers went for in-depth training that proved to be helpful in our associational clinic. Our Associational Clinic was held on April 29, 1993 in the First Baptist Church in China Grove. We had 63 people in attendance with 14 churches represented. On May 27, 1993 our association had a clinic for Mission VBS and Back Yard Bible Clubs workers. We had 17 workers in attendance for this clinic.

Our reports show that over-all we had excellent Vacation Bible Schools in Rowan Association in 1993. We want to say a big "thank you" for all our Associational Team workers for 1993. We also want to thank the workers from the 14 churches for attending the clinics.

A very important change is coming in Vacation Bible School materials for 1994. All the materials for workers and students will be entirely different for 1994. It will be very important that your church get your workers to the 1994 associational clinic to learn about all the new changes and materials. Expanded materials for 1994 will be including crafts for the first time in many years. The crafts will be designed for each age group.

We want to encourage our churches to provide Bible study for adults in Vacation Bible School. This is one of the fastest growing groups in Vacation Bible School. We look forward to a record breaking attendance in our 1994 Vacation Bible Clinics. We look forward with great anticipation in all our churches joining us in our 1994 study of a "Trail of Treasures" in Vacation Bible School.

Rev. Bobby Seagroves, Director

DISCIPLESHIP TRAINING REPORT

Does your church do any training for its members? Do you report the training? I believe many of our churches are training church members to be more effective disciples, but just not reporting it.

We have dated materials for Discipleship Training and many undated materials to choose from. In the Youth and Adult areas we have a large menu of training materials your church can select to enable your members to be more effective disciples for Jesus Christ.

We want to congratulate Rev. Tom Roberts at Salisbury First Baptist Church for leading his church to have children in the Children's Bible Drill and youth in the Youth Bible Drill. We need more churches to accept the challenge of training children and youth in developing skills in knowing and handling the Bible. In 1994 churches can choose between the King James Version and the New International Version. All the children and youth in the local church must use the same Bible. If there are churches using both versions in the association we must offer two associational drills.

One area of Discipleship Training that is growing is the yearly Baptist Doctrine Study. The 1994 study for adults is "The Bible Speaks to End Times." There are doctrinal books for all ages. This is an important part of Discipleship Training. When your church has these undated units of study, please report this at the end of the year on your records.

Churches without organized Discipleship Training that will elect the necessary Discipleship Training leaders and will apply can receive up to \$100.00 of Discipleship Training materials without cost. If your Associational Discipleship Training workers can help you, please call upon us.

ASSOCIATIONAL SUNDAY SCHOOL REPORT

Jesus called us to be fishers of men. The best and most effective means of personal outreach is through the Sunday School. Sunday School is "the church organized." It is where "koinonia" and interaction occurs. It is the church broken down into manageable units. Much ministry, care and character building occurs in small Sunday School classes where close relationships and unity naturally happen. People who feel that a church is too large and does not care are people who are not actively involved in Sunday School. You can attend a worship service for years and never make a friend; when life's hardships come, there is no one around you who really knows your need. A Sunday School class can be your family where a core of Christian friends can know your heart's need and where you will be needed too!

Therefore the Sunday School is the growth arm of the church, applying the Bible to life and giving a personal touch. Have your Sunday School set attainable goals this year and watch it grow.

ABOUT YOU:

We dedicate this 1995 Annual Report to all the individuals named herein and to those unnamed church members who support the work of the association through their giving, prayers and attendance at the various meetings.

We especially want to thank those individuals who hold some elected office. These number more than 200 serving as general officers, staffing the program organizations, and serving on various committees. They give countless hours of their time and talent to make the Rowan Baptist Association what it is today.

Let me challenge everyone to pursue spiritual vitality in Christ. Earnestly seek the leadership of the Holy Spirit. Surely the Lord wants to do mighty things to purify and bless His people. Do not be slack concerning worship, stewardship, evangelism and missions. Always keep clearly before you the supreme importance of the gospel. In Christ is the remedy for sin and the abundant life.

Pray for and support your local church and this association of churches. Especially give encouragement to your pastor. He carries a heavy load and he is human. May the prayer of the psalmist long ago be our prayer: "Bless the Lord O' my soul, and all that is within me bless His holy name."

ABOUT ME:

Thanks for the honor and privilege of being your Director of Missions. Faye and I are humbled by your support and interest in us. Faye is the best part of me. She is a person of prayer and is available to speak to various women's and missions groups. She would love to befriend minister's wives.

In the two weeks I've been here, a vision for what we can do together has been growing in me. Your ideas and thoughts can and will be part of that process. Pastors, I want to be your friend and pastor as you have need. All of our churches will receive my attention. I'm available as a consultant in helping churches getting on the move, staff retreats, deacon retreats, etc., as well as for supply, revivals, three-four weeks of filling in during interim periods, missions and other speaking needs. As we work together, we will develop a strategy to impact our community and it's churches. Your help is appreciated and wanted.

The initials of Rowan Baptist Association are RBA. RBA also stands for Really Beautiful Altogether. Jesus is worthy.

Thomas + Faye

Robert Heard, welcomed those present and called the meeting to order with fifty-one persons present, representing twenty-two churches. Rev. Hal Hiatt, Associate Pastor at the Faith Church, shared scripture and opened the meeting in prayer.

BUSINESS WAS AS FOLLOWS:

(1) Randy Crowell, Associational Clerk, made a motion that the minutes of the last meeting be approved as they were printed in the 1993 Associational Annual on pages ten through twelve. The motion carried.

The Committee also recommended Roy Greene to represent the American Bible Society, Ken Bragg to represent the Annuity Board, David Clay to represent the Baptist Children's Home, Zeb baker to represent the Baptist Hospital and Troy Witherspoon to represent the Baptist Retirement Homes. The motion to appoint all of these carried. Brawley then expressed the concern of the Committee on Committees about the many inactive committees in our Association and said he would refer the matter to the Constitution Committee for study as to possibly deleting some of those committees that are inactive.

(4) The Moderator called for the report from the Associational Trustees concerning the recent sale of the land bequested to the Association. There were no Trustees present to give such report.

(5) Don Livengood, Associational Treasurer, made a motion to approve the Financial Report for the period of October 1993 through December 1993, the receipts from the churches for the first quarter of 1994 and the Financial Report for January 1994 as was distributed at the meeting. A motion was made and seconded to approve the reports. During the discussion, several questions were raised concerning the sale of the land bequested to the Association and the distribution of the funds related to that sale. Benny Vickrey Sr. expressed concern that it appeared as if public bids were not taken on the property sale as originally indicated by the trustees and voted on by the Association. Vickrey said there were two men present who had contacted Paul Wilson in an attempt to make bids on the property but were not allowed to do so. Rev. Vickrey questioned the "ethics" of such business matters when the Association had voted for such bids to be taken. Rev. Ken Bragg spoke to the questions explaining that the trustees had decided to sale the land in two parcels but he did not have an answer as to why the two men present were not allowed to make bids on the property. Rev. Vickrey made an motion to amend the financial reports adoption to include a request to the Trustees to make a written, detailed explanation to all of the churches of the procedures employed in the sale of the land. The motion to amend the financial reports motion so as to include such request to the trustees carried. The amended motion then carried.

(6) Jerry Wilkes, representing the Stewardship Committee, explained that the budget contingency amount approved in the current budget would not be sufficient due to several unforeseen expenses. He then made a motion that funds from the sale of the land be used to secure a security system for the associational office as soon as possible without further action on the part of the Association. The motion carried.

(7) Jerry Wilkes, representing the Stewardship Committee, made a motion that funds from the sale of the land be used to purchase a television, video recorder and computer printer with the building and grounds committee handling those purchases. An motion was made to amend the motion to include Margaret Livengood and Randy Crowell in the decision to purchase. The amendment carried as did the original motion.

(8) Jerry Wilkes, representing the Stewardship Committee, made a motion that remaining funds from the sale of the land be deposited in an interest bearing account where they will be available to the Association by recommendation of the Stewardship Committee and approval of the Association. Don Livengood, Associational Treasurer will check on various accounts available and make the deposit at his discretion. The motion carried.

(9) Rev. Wilkes called for continued growth in giving to the Association. He then spoke to the matter of distribution of funds related to the sale of the land bequested to the Association. He explained that he had spoken to several persons involved in real estate sales and had found that the standard commission for sale of commercially held real estate property was ten percent as was paid to Paul Wilson for handling the sale of the land.

(10) Rev. Benny Vickrey Sr., representing the Evangelism Committee, reminded those present of the upcoming State Evangelism Conference February 7 and 8 in Winston Salem. He also spoke on the "Here's Hope" 1995 simultaneous revival promotion scheduled for March 12 through September 30, 1995 in our Association. The Evangelism Committee is planning several events to compliment this event including a possible banquet, "WIN" evangelism schools and special prayer emphasis. He distributed information packages to all the pastors present concerning the event.

(11) Dr. Bill Snider, Associational Brotherhood Director, called attention to several upcoming events and then Introduced Rick Johnson, Disaster Relief Coordinator for a report concerning disaster relief. Rick explained that the Red Cross has donated a trailer for use in disaster recovery efforts. He said many items would be needed to equip the trailer and that churches would be contacted about donating some of the items.

(12) Rev. Larry Beaver, pastor of the Main Street Baptist Mission in China Grove, made a report to the Association concerning the new mission church. He said that the congregation had purchased eighteen acres of property in the area of Grove Supply Company in China Grove and were hoping to start construction of their first multi-use unit sometime later this year. He said they had seventy-seven enrolled in Sunday School with an average attendance of fifty, their worship service attendance averaged seventy-five to one hundred and ten. He explained that seventy-five percent of those attending were not involved in any church before coming to Main Street. He expressed excitement as to the way the Lord is moving through the people at the mission to reach the lost in their community.

(13) Rev. Roby Linebarger, pastor of the new church, Carmel Baptist, made a report concerning that church. He shared that the congregation has purchased five acres of property on Highway 150 and hopes to begin construction of a traditional style church building sometime in late spring or early summer. The church plans to build their facility with volunteer labor and is presently working on a financial package to finance the project. He expressed that the work with the new church had been a "Blessed struggle" but that God was continuing to bless them in their efforts.

(14) Judy Ginn made a report on the Medical Dental Bus Ministry. She shared that First Baptist Church had begun a medical ministry every Thursday afternoon. This ministry will replace the medical bus ministry but the dental ministry using the bus will continue with a greater capacity since

the whole bus can be used for dental work. She called for continuing support in the areas of volunteers to work in both ministries.

(15) Dr. Ron Heddle, representing the Program Committee, announced that Dr. Carl Bates will be the guest speaker at the Annual Spring Session of the Association to be held April 25 at Ncel Road Baptist Church.

(16) Mrs. Ann Mount spoke to the Association concerning the upcoming Retirement Service, March 20, at 3:00pm for Ken Bragg. She encouraged each church to get an estimate of those planning to attend and let them know so they could better plan for the event.

(17) Rev. Ken Bragg, retiring Director of Missions, expressed thanks on behalf of himself and his wife Faye for the many years of working with those that make up the Association. He said they were both glad and sad to see this "new chapter" in their lives unfolding. He expressed thanks to the Lord for allowing his feet to "walk in so many good places." He expressed gratitude for all the wonderful people and dear friends they had met through their work in our Association. Rev. Bragg then called attention to several upcoming events in the Association. He requested continuing prayers for he and Faye and said they look forward to continued service in their church and the Association.

(18) Rev. Ron Heddle recommended that the Constitution Committee study the feasibility of changing the Personnel Committee so as to help alleviate some of the responsibility now on that committee. He pointed out that with the committee being made up of various Association officers and leaders they had more than enough responsibility without the added responsibility of serving on the Personnel Committee. He said those now making up the committee could possibly serve in an ex-officio capacity but that the pressures of the added responsibility brought on by the Personnel Committee needed to be alleviated.

(19) Rev. Randy Crowell, Associational Clerk, made a motion that the Association purchase Uniform Church Letter information software for the last five years from the Sunday School Board at a cost of \$50.00. The information will be used for Strategy Planning in the Association and will be made available to the churches as well. The motion carried.

(20) Chuck Brawley expressed concern about the procedures to be employed by the newly appointed Director of Missions Search Committee. He recommended that the Committee seek out training from the State Convention. The question was asked as to whether the procedure would include a time for the pastors to interview the prospective Director of Missions prior to the time he is presented to the Association for approval. Mark Walton, chairman of the Search Committee said he felt sure the procedure would include such an interview.

(21) Rev. David Pyatt made a motion that the Search Committee secure a Interim Director of Missions until such time as the position could be filled full-time. Several questions were raised about whether the motion required the Search Committee to bring their recommendation for an interim to the Association for approval. Randy Crowell, Associational Clerk explained that as the motion now stood, the Search Committee did not have to bring their recommendation back to the Association for approval but would be authorized to secure an interim on their own. Mark Walton, chairman of the Search Committee assured everyone present that the committee would be in no hurry to secure a Director of Missions and that a full report of their proposed procedures would be presented to the Association. He also expressed his desire and intention to seek approval of the Association in securing an interim. Rev. Brawley then made a motion to amend the original motion so as to stipulate that the interim Director of Missions could not and would not be considered for the full-time position. The motion to amend the motion carried as did the original motion for the Search Committee to secure an Interim Director of Missions.

(22) Rev. Ron Heddle made a motion that the D.O.M Search Committee be required to present for approval by the Executive Promotion Committee or the Association the person they choose to serve as Interim Director of Missions. This is to be done prior to employment. The motion carried.

(23) The meeting was adjourned with a prayer by Ken Bragg.

Randy Crowell, Associational Clerk

The motion carried.

(13) Following a short praise time with selection from selected verses from several hymns, Mission reports were made by three churches as follows:

Rev. Chuck Brawley, pastor of Faith Baptist Church, reported on a new mission project that congregation has started during the Faith Fourth of July Celebration. Working in cooperation with Faith Lutheran Church and Shiloh United Church of Christ, they set up a booth at the celebration where they distributed Bibles, tracts and Vacation Bible School flyers. Special events included singing, dramatic presentations and clowns. Faith Baptist also entered a float in the parade and took first place in the Amateur Division. Rev. Brawley reported that their ministry was well received and their VBS enrollment went from 268 to 315, a jump they attribute to this new ministry.

Rev. Derald Adams, pastor of South China Grove Baptist Church, shared how the "Frozen Chosen" [their church] had been changed by Jesus. He related how they had received 200 members in the last 6 years by "an honest confrontation." He shared how a special music ministry "New Sound" had been instrumental in the change. The revitalization has resulted in increased missions support, mission trips, a teenage youth group and involvement in Bible teaching in the local high school. He related that community service also played an important part in their growth with such ministries as serving a meal anytime there is a death in the community, regardless of whether the family involved was a member of their church or not. He pointed out that their congregation was coming to be viewed as a "warm and loving" fellowship. He said one word seemed to characterize South China Grove Baptist now - "Enthusiasm!"

Miss Robin Lippard, a youth group member from Stallings Memorial Baptist Church, then shared her experience related to a youth mission trip this past summer. Under the direction of a summer youth worker, they conducted a Back-Yard Bible Club at an apartment complex on "D" Avenue. The activities included games, singing, prayer, Bible study, refreshments and crafts. They averaged 20 to 30 children participating throughout the week. They then went to Christo's Village, KOA campground at Myrtle Beach, South Carolina and held a similar program a few weeks later. The first day they had 19 children participate and grew to 30 the last day. She related how the manager of the campground said similar programs there usually averaged an attendance of 4. She shared how the Lord blessed both her and the other youth group members from Stallings Memorial in a special way during both these summer mission projects.

(14) Following a short break, with refreshments provided by the Neel Road church, the meeting resumed with the Brothers Quartet (Clint Abernathy, Carlee Henley, Dan Houge and Grover Miller) singing several selections.

(15) Dr. Ron Heddle introduced the guest speaker Dr. Carl Bates. Dr. Bates brought an inspiring message on "The Ever Abiding Spirit of God." He related how the Holy Spirit came as a result of Jesus' saying He would and that He will be in us, continuously and without interruption. He shared how that the Spirit's presence is the same as Jesus Himself being with us through the difficulties and storms we face. He ended his message with an appeal to "Keep on fostering the same disposition in you that was first in Jesus Christ."

(16) The Moderator, Rev. Robert Heard, then offered a welcome to Dr. S. Lawrence Childs, the new Interim Director of Missions, and his wife on behalf of the Association. Dr. Childs said that he was humbled by the Association calling him and requested prayer for the mutual work before us all. Rev. Randy Crowell, Associational Clerk

SPECIAL CALLED MEETING - AUGUST 2, 1994

The Rowan Baptist Association met for a special called meeting on August 2, 1994, 7:00pm hosted by the North Main Baptist Church. There were 86 messengers (representing 22 churches) and 5 guests registered. The meeting opened with a musical prelude followed by the congregation singing "A Mighty Fortress." The meeting was called to order Rev. Robert Heard, Associational Moderator. Rev. Dale Robertson, pastor of the host church, extended a welcome to those present and offered the invocation.

BUSINESS WAS AS FOLLOWS.

(1) Mr. Ralph Massey, representing the Program Committee, presented a motion that the printed program serve as the Order of Business with the exception of Rev. Jake Huneycutt being allowed to make an announcement. The motion to adopt the printed Order of Business as distributed was approved.

(2) Mr. Don Livengood, Associational Treasurer, presented the October 1993 through June 1994 quarterly reports and the July financial Treasurer's reports as distributed in the Rowan Rambler and as a hand-out for approval. Mr. David Clay, representing the Stewardship Committee, made a motion to amend the present motion so that both the current and 1993-94 W.M.U. budget be increased by \$250.00. The motion to so amend the motion carried. The original motion to approve the Treasurer's reports carried.

(3) Rev. Randy Crowell, Associational Clerk, made a motion to accept the minutes of the last meeting as distributed. Rev. Bill Hallman asked that a correction be made to the minutes showing that the motion to adopt the Associational By-Laws changes as presented at the Spring Semi-annual meeting on April, 25, 1994 were adopted at that meeting and not presented for approval at the Fall Semi-Annual meeting as the minutes record. Rev. Crowell noted the correction and it was agreed that the necessary changes would be made.

(4) Mr. David Clay, representing the Stewardship Committee presented the tentative 1994-1995 budget for approval with the exception of the Director of Missions salary package which will be voted on separately. There was no opposition to the exception. Mr. Clay pointed out several changes in the proposed budget and noted that there were no changes in the "Other Personnel" areas as compared to the current budget. Dr. David Pyatt questioned why the Secretary's salary did not show any increase from last year. Mr. Clay explained that the Stewardship Committee simply adopted the recommended salary packages as recommended to it by the Personnel Committee. There were no representatives of the Personnel Committee available for an explanation of question raised. Rev. Pyatt made a motion to amend the tentative budget so as to show a \$20.00 per week increase in the secretary's salary (An additional \$1,040.00 per year which would bring the total to \$9,940.00) and to align the allowed Social Security compensation proportionately. The motion to amend the tentative budget received a second. A question was raised as to whether the additional vacation proposed for the secretary was made in lieu of no salary increase. Again there were no representatives of the Personnel Committee available for an explanation of question raised. Rev. Dale Robertson asked how many weeks vacation the secretary was allowed and how many hours of work each week was the salary based on. The Association was told that the secretary receives three weeks vacation each year and that the salary is based on thirty hours of work each week. The motion to amend the secretary's salary in the tentative budget carried. Rev. Randy Crowell, Associational Clerk, asked whether the amount allowed in the budget for the printing of the annual reports included the sales tax on such since all sales taxes were refunded to the Association. Don Livengood, Associational Treasurer explained that the sales tax on printing the annuals was not a part of the budgeted amount. The amended tentative budget was approved for presentation to the full Association at its Fall Semi-Annual meeting.

- (5) Rev. Jake Huncycutt made an appeal on behalf of the Scholarship Committee for applicants to receive funds from that fund to help with education in preparation for ministry related vocations.
- (6) Rev. Mark Walton, representing the Director of Missions Search Committee, recounted the work of that committee. He summarized the Listening Sessions the Committee conducted in order to profile the needs of the Association in regard to the D.O.M., and the personal profile they developed as a guide in their search. He made a report on their progress so far and reported that they were no reviewing resumes from potential candidates. He appealed to the Association to Pray for the search Committee. He promised more information concerning their progress at the next meeting of the Association.
- (7) Mrs. Kay Dover, representing the Personnel Committee made a motion that the Association approve the Director of Missions job description as it was printed and distributed at this meeting. She called attention to the Associational Secretary's job description which was also distributed but stated that it was not a part of the current motion and that it would be presented for adoption at a later date. SPECIAL CALLED MEETING OF THE EXECUTIVE PROMOTION COMMITTEE

HELD NOVEMBER 28, 1994

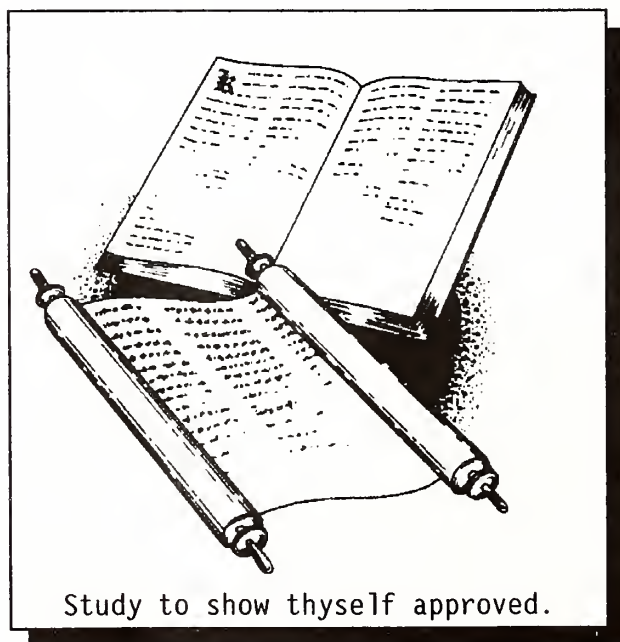

The Executive Promotion Committee met on November 28, 1994, at seven thirty pm in the Associational Building. Following the singing of "Amazing Grace" the Moderator, Rev. Robert Heard, welcomed those present and called the special meeting to order for the purpose of considering calling a special meeting of the full Association in order to entertain a motion from the Director of Missions Search Committee concerning the approval of a candidate they are ready to present as Director of Missions. Dr. Lawrence Childs, Interim Director of Missions, opened the meeting in prayer. The Moderator recognized new members of the Executive Promotion Committee and welcomed all in attendance.

BUSINESS WAS AS FOLLOWS:

Rev. Mark Walton, Chairperson of the Director of Missions Search Committee, expressed thanks on behalf of that committee for all the prayers and support given their committee by the Association. He thanked the Committee for their dedication to the task which involved over fifty-five hours of meetings and much more time in prayer and other related duties. He recounted the procedure the Committee had followed in arriving at the candidate they felt God had led them to and the one that God had called to the position. He explained that in order to expedite the process of voting on the Committee's recommended candidate for Director of Missions, it would be necessary to call a special meeting of the full Association, something that can only be done by the Executive Promotion Committee. He made a motion that a special meeting of the full Association be called for December 19, 1994 at a place to be determined at a later date. He

explained that Associational leaders, pastors, staff, and members of our churches would have several opportunities to meet Rev. Thomas Dail, the proposed candidate, at receptions held at various times during the days preceding the special called meeting. He expressed the desire of the Search Committee to entertain any reasonable amendments to their motion concerning the special meeting or the recommended opportunities to meet Rev. Dail before the election. Rev. Dail Robertson asked if the pastors would have opportunity to hear Rev. Dail preach before the election and made a motion to amend the Committee's proposal to reflect such if it does not allow for such as it now stands. The motion to amend was further defined to specify that Rev. Dail deliver a "Sunday morning message" at the Special Called Meeting of the Association prior to the actual vote. The motion to so amend the motion carried. Rev. Benny Vickrey called attention to the fact that the current motion was not in accord with the adopted procedures of extending a call as adopted by the Association. he explained that the procedure called for thirty days notice to the Association's churches before a vote could be taken. Rev. Mark Walton then read the procedures aloud and explained them in detail. A motion was made to alter the previously approved procedures in order to allow for the vote December, 19, 1994. the motion to alter the procedures carried. A motion was made to instruct the Program Committee to contact all pastors not at the meeting and inform them personally of the special meeting. Letters will also be sent to all the churches as soon as possible. The motion to so amend the original motion carried. Rev. Benny Vickrey raised the question of whether we had made the necessary financial arrangements to move Rev. Dail to our area if the vote to call him is carries. There was limited discussion concerning the question and an answer was not available. The amended motion to call the Association into Special Session on December 19, 1994 at 7:30pm carried. Rev. Bill Hallman dismissed the meeting with the benediction.

Rev. Randy Crowell, Associational Clerk

FALL SEMI-ANNUAL MEETING - OCTOBER 25, 1995

The Rowan Baptist Association met for its Fall Semi-annual meeting on October, 25, 1994 at 6:15pm hosted by the First Baptist Church, China Grove. There were 142 messengers (representing 29 churches) and 25 guests registered. The meeting opened with a musical prelude by Mrs. Marsha Carter and Mrs. Cora Lee Ketner. The First Baptist Choir sang "Glorify Thy Name" followed by the congregation singing "Let Others See Jesus In You" led by Rev. Mike Long. Rev. Robert Heard called the meeting to order. Rev. David Phelps, pastor of First Baptist China Grove extended a welcome and led in the invocation.

BUSINESS WAS AS FOLLOWS:

- (1) Dr. Ron Heddle, representing the Program Committee, presented a motion from that committee that the printed program serve as the order of business with any adjustments allowed by the Moderator. The motion to accept the printed program carried.
- (2) Rev. Robert Heard, Associational Moderator, recognized new pastors and staff members to the Association.
- (3) Dr. Lawrence Childs, Interim Director of Missions, made his report. He shared how excited he was about what was going on in our Association. He shared that he had visited with most pastors in our Association and would soon meet with the others. He shared that he had seen great potential in our county for both growth and ministry.
- (4) The Choir of First Baptist then sang the hymn "When I Survey the Wondrous Cross."
- (5) Rev. Franklin Myers, pastor of First Baptist Church, Spencer then preached the annual sermon titled "Making the Most of Life."
- (6) The Association then enjoyed refreshments provided by the ladies of First Baptists China Grove in their new Family Life Center.
- (7) Following the break, the Association reconvened for its business session.
- (8) Rev. Robert Parsons, representing Gardner Webb School of Divinity, gave an update on that program. He reported that there are currently 73 students enrolled with more than 100 expected next year.
- (9) Mr. Don Livengood, Associational Treasurer, presented the Financial Report for the period of October 1993 through September 1994, the report of receipts from churches and other sources as well as a report detailing the history of receipts from the churches for the last twelve years. The reports were approved as distributed.
- (10) Rev. Mark Walton made a report on the progress of the Director of Missions Search Committee thus far. He reported that the Committee had narrowed its search to two men and were currently awaiting reports from their references. He asked that the Association continue to pray for God's clear guidance in this matter.
- (11) Mr. Rick Johnson, Brotherhood Disaster Relief Coordinator, presented the Brotherhood report and recounted several projects the Brotherhood was now involved in. He updated the Association on the progress made thus far on the new Disaster Recovery Trailer. He explained that many of the required tools and equipment had already been donated, but that they were still in need of many other items. He said that the Trailer was parked in front of the church if anyone wanted to look at it. He then made a motion that the Association accept title and ownership of the trailer. The motion received a second and carried.
- (12) Mr. David Clay, representing the Stewardship Committee made a report for that Committee. He recounted the procedure they used to arrive at the current tentative budget. He made a motion, on behalf of the Stewardship Committee, that the tentative budget be approved as recommended by the Executive Promotion Committee. Rev. Benny Viekey made a point of concern that the Association's receipts last year were \$5,000.00 short of the budget and the new budget is 25% higher than last year's budget. Mr. Clay pointed out that the Stewardship Committee knew that the new budget would be a challenge for the Association but they felt confident the money would come in as our Association provided the necessary programs to reach out to our churches and their

communities. A motion was made to amend the original motion so as to allocate \$650.00 for insurance and upkeep on the Disaster Recovery trailer and its contents. The motion to so amend the original motion received a second and carried. Mr. Rick Johnson made a request from the Brotherhood Council for a motion to put \$5,000.00 from the sale of the land bequested to the Association into a special contingency fund for use by Disaster Recovery Teams. He explained that the money would be used for travel expenses and meals (when the Disaster Relief Unit is not available.) He explained that the money would be replenished with funds from donations and that they would not use more than \$3,000.00 per year. Mr. Don Livengood, Associational Treasurer, reported that \$4,700.00 from the Land Sale Fund had already been designated for other purposes and that if the present motion carried, the funds available from that fund would be approximately \$25,000.00. A motion was made to amend the original motion so as to allocate \$5,000.00 for a special escrow fund to be used by the Association's Baptist Men in their disaster Relief efforts. The motion to amend the original motion received a second. Several questions were raised concerning whether the funds would be put into a special account or left in the Association's account. After extensive discussion, a motion was made to suspend debate. A recommendation was made to instruct the Brotherhood Directors to work out a satisfactory arrangement with the Associational Treasurer concerning how the funds would be made available. Rev. Chuck Brawley called for the Moderator to allow the Call for the Question and suspend debate. The motion to suspend debate was then voted on and carried. The motion to amend the original motion to set aside the requested funds was then voted on and carried. The original motion was then voted on and approved.

(13) Rev. Chuck Brawley, representing the Committee on Committees Committee, made a report for that Committee. He explained that the Committee had been unsuccessful in filling 17 committee positions within the Association. He pointed out that Rev. Bobby Seagroves would be serving on the Nominating Committee until 1997 and clarified Rev. Hal Hyatt's home phone number. Rev. Brawley then made a motion that the Committee on Committee's report and recommendations for Committee members be adopted. The motion carried.

(14) Rev. Franklin Myers, representing the Nominating Committee, made a motion that the Association accept that Committee's recommendations for Associational officers as distributed. The motion carried.

(15) Mr. Ralph Massey, on behalf of the Obituary/Memorial Committee, read scripture from John 6:39-40 and sang the hymn "My Savior First of All" in memory of all those members of our churches that went home to be with the Lord this past year.

(16) Rev. Joel Langley, representing the Associational Youth Committee requested that each person furnish the Associational office with the names of three contact people from each church for mailings concerning events of interest to youth. The Committee is requesting that the three people be the pastor, a youth leader and one of the older youth. He reported that the True Love Waits rally held by our Association was great success but that funds to cover the expenses had not been received. He challenged the churches of the Association to support our special youth events in a greater way.

(17) Rev. Bill Hallman, representing the Constitution Committee, presented a motion from that Committee that the "Rowan Baptist Association take the necessary steps to become incorporated according to North Carolina State Statutes. Mr. Phil Bottoms, Attorney at Law will be secured to do all the necessary paper-work and filling of fees with the State Attorney General's office. The cost is not to exceed \$700.00 plus filling fees." Rev. Hallman explained that incorporation of our Association would remove the personal liability from our Trustees and Associational Officers. After several questions the motion was voted on and approved.

(18) Rev. Heard, Associational Moderator, adjourned the meeting and Mr. Jimmy Carter dismissed the messengers with a benediction.

Rev. Randy Crowell, Associational Clerk

SPECIAL CALLED MEETING OF THE ASSOCIATION - HELD DECEMBER 19, 1994

The Rowan Association met in special session at the North Main Baptist Church for the purpose of deciding a motion by the Director of Missions Search Committee to call Rev. Thomas E. Dail as Associational Director of Missions. There were 143 messengers registered representing 27 churches. Following a musical prelude by Annie Maie Saunders and Susan Shores, the congregation sang "Joy to the World" led by Susan Shores.

Rev. Dale Robertson, pastor of the host church, was introduced by Rev. Robert Heard, Associational Moderator. Rev. Robertson welcomed the Messengers and guests on behalf of the North Main congregation.

Dr. Lawrence Childs, Interim Director of Missions, was recognized for some personal comments. He stressed the importance of this most significant decision our Association was about to make and commended the Search Committee for the prayerful, careful and serious manner in which they approached their work of searching for the person God would have lead our Association.

Mr. Ralph Massey, representing the Program Committee, expressed his thanks to the North Main congregation for the use of their facilities and to both them and the congregation of Trinity Baptist for the refreshments prepared for the reception following the meeting. He then presented the program for adoption and it carried as distributed.

Rev. Robert Heard, Moderator, expressed thanks to the Search Committee for all of their dedication and work which had brought us to this moment of decision.

Rev. Mark Walton, Search Committee Chairperson, introduced the candidate, Rev. Thomas E. Dail and his wife Faye Dail. Following a few comments by Rev. Dail Susan Shores performed "Oh Holy Night" on her flute. Rev. Dail then delivered a message concerning Abraham, Isaac and Jacob and how each of us can relate to one of them in our own lives. He explained that they each held in common an undying faith in the Lord but the way they lived out that faith differed greatly. He raised the question of where the people got their hope that first Christmas when Christ came into the world - what did they base their hope on? he went on to explain that they based their hope on the same thing Abraham, Isaac and Jacob based their hope on - the coming of the Messiah. He pointed out that the basis of our hope should rest on the second coming of Christ. He went on to illustrate how some people today can relate best to Abraham. Abraham had his ups and downs but when it was all said and done, he had remained faithful to the Lord. Abraham represents those faithful few in our churches that hold out when the going gets tough and the faithless get going. He then used Isaac as an example some may relate to. Isaac, which means laughter, was an encourager. He had the gift of making others feel better just as some in our churches do today. He then pointed to Jacob who had great trouble getting his life together but held fast to his faith in God until he had received the blessing he desired. Rev. Dail recommend that each of us honestly examine our lives, follow the examples before us and remain faithful to God no matter what comes into our lives.

Rev. Walton then presented the following motion from the Search Committee: "Mr. Moderator, the Director of Missions Search Committee, in unanimous agreement and in conformity with the procedures adopted by the Association, moves that Thomas E. Dail be called to serve as the next Director of Missions for the Rowan Baptist Association; that he be compensated at the salary and benefits package previously approved by the Association; and that he begin duties here in the Association Monday, January 16, 1995."

Following a prayer for guidance led by Mrs. Kay Dover, the messengers were asked to mark their ballots. The ballots were collected and counted by the appointed committee as called for in the Procedures of Call as the congregation sang Christmas hymns led by Susan Shores.

The ballots were counted and the vote was as follows: 132 YES - 6 NO - 1 ABSTAINING. The motion to call Rev. Dail as Director of Missions carried.

Rev. Heard then welcomed Rev. Dail and his wife Faye to our Association. They each expressed their thanks for approving the call that they felt God had extended. They expressed great excitement and anticipation about having the opportunity to serve with us in this Association.

Thanks were expressed to Mrs. Margaret Livengood and again to the Search Committee for their long hours and hard work in bringing us to this historic moment in our Association.

Rev. Mark Walton then made the following motion: "Whereas the employment agreement between the Rowan Baptist Association and the Interim Director of Missions stipulates that the Rowan Baptist Association give the Interim DOM thirty-days notice before concluding the term of his employment; and, Whereas having Dr. Childs on hand during this time would facilitate a smooth transition of leadership; and, Whereas Rev. Dail has indicated such an arrangement would be welcomed, the Director of Missions Search Committee moves that Dr. Lawrence Childs be retained at his current level of compensation until January 20, 1995." The motion carried.

The meeting was adjourned with a prayer by Mr. Buck Curlee. A reception with refreshments was held in the fellowship hall following the meeting.

BROTHERHOOD REPORT

The Rowan Associational Brotherhood had a very busy year - from October 1993 through September 1994. Things we did included:

October 22	Wake Forest Day for RA's
November 6	Walk for Foreign Missions for RA's
November 13	Prayer Breakfast for Baptist Men at Faith Church
January 14-16	Baptist Men's Convention in Winston-Salem
January 23	Baptist Men's Day in the local churches
February 17	Baptist Men and Women's Banquet at Landis Church with approximately 110 present.
March 26	Walk for Home Missions by RA's
April 16	Prayer Breakfast at Trading Ford Church with approximately 50 in attendance. After breakfast, the men went to the site of Richard Byrd's home and continued cleaning off the area that they had begun in order that the house could be rebuilt.
May 20-21	RA Camp-out at the Uwharrie Mountains Camp Site
August 6	Associational Golf Tournament at Foxwood Golf Course. The proceeds, after expenses, went to defray costs of equipping the Disaster Relief Recovery Trailer.
September 15	Joint Brotherhood and WMU Workshop at Faith Church. Approximately 25 men attended.

- Continued on next page -

The Brotherhood requested budget items of the Rowan Baptist Association budget: (1) \$650.00 a year line item for insurance and maintenance of the Disaster Relief Recovery Trailer. (2) \$5,000.00 reserve fund used to move work crews to and from disaster areas, such as gas, vehicle rental, and food if the disaster feeding unit is not available. The fund would be replenished as used up to a maximum of \$3,000.00 per year. This is not to be used to purchase building materials. When the unit is used locally or for church construction crews, volunteers pay their own expenses. Funding is coming in for tools and we hope to have the trailer equipped by the end of the year.

Baptist Men have done several other things during the year: worked at Mundo Vista, worked on Carmel Baptist Church, helped with the Educational Building at Providence Baptist Church, and painted the house of Dr. W. H. Snider.

J. C. Eagle submits the following report on Disaster Relief and Homeland Mission Projects: Our work started in the 1993-94 church year with another trip to South Florida during Thanksgiving Week to repair homes still damaged from Hurricane Andrew. This work was done through "I CARE."

In January and February our Response Team had a crew back at Buxton, North Carolina to help repair damage in the Outer Banks area. This was accomplished in below freezing weather.

Things were relatively quiet until a tornado touched down in Boiling Springs and at Gardner-Webb University. Again we responded within six hours following our feeding van into the area. Clean-up lasted four to five days.

In July we again followed our feeding unit into Albany, Georgia when the Flint River flooded this area. We have had three crews into this area and work is still in progress. Most homes have been gutted and are now "drying out." Much work still remains - mostly rebuilding.

Our latest disaster occurred in Lexington, South Carolina on August 16. At least 19 distinct tornadoes hit this area with devastating results. A crew of 44 people have just returned from Lexington where we spent a week cleaning up. Much work remains to be done.

During these times of disaster, we have helped Carmel Baptist Church in their building program. Much work remains to be done on this church.

Respectfully Submitted,
Dr. William (Bill) Snider,
Associational Brotherhood Director

DISCIPLESHIP TRAINING REPORT

The Associational Discipleship goal in the Rowan Association is to serve as a support system for the disciplining efforts of the local church. Those serving in associational discipleship leadership do so in order to encourage and assist the churches to discover disciplining needs, determine strategies and methodologies to meet those needs, and make every effort to provide for the spiritual progression of the people. Therefore, the goal is to begin new disciplining processes and to

strengthen and support existing growth options. Of the 41 churches in the Rowan Association, we have at least 19 with some type of Discipleship Training. Discipleship Training can be ongoing, every Sunday, or short term, such as Baptist Doctrine Study, training in evangelism, training deacons, training Sunday School workers. When your church does any type of training, please keep good records and report your enrollment at the end of the church year. A little training is better than none!

We encourage your church to plan for disciplining new Christians and new members that will come into our churches during our Here's Hope, Share Jesus Now Revivals in 1995. We do not want to lose members out the back door of our churches as fast as they come in the front door. New Member training will stop this loss. We also encourage our churches to plan for the Baptist Doctrine Study for 1995 on Stewardship.

Do call on your Associational Discipleship Training workers for disciplining ideas, needs, or impressions.

Respectfully submitted,

Rev. Bobby Seagroves,

Associational Discipleship Supporter

EVANGELISM REPORT

The great emphasis for 1995 is "Here's Hope: Share Jesus Now". This is a bold evangelistic effort designed to encourage believers to participate in 60 days of intense personal witnessing. This period of outreach will be followed by Harvest Revivals in the Spring. The Association has complete kits for each church. These kits will lead the congregation through the program step by step. We also have an instructional video on the upcoming events as well as a Roman Road Witnessing video available as resources. If I can be of any assistance, please call.

Respectfully submitted,
Rev. Dale Robertson
Associational Evangelism Chairman

ASSOCIATIONAL MISSIONS DEVELOPMENT REPORT 1993-1994

The Rowan Baptist Associational Missions Development Council met twice this past year.

A letter was sent to all Rowan Baptist Pastors urging them to appoint a Church Missions Development Director so that the Associational Missions Development Council would have a contact person in each church with whom we can work.

This year we plan to compile a list of mission opportunities in the Salisbury/Rowan area and throughout the state that we in the Rowan Baptist Association can be involved in. Once the list is complete, each Church Missions Director will receive a copy. Together we can make a difference in our community and state.

Training and resources will be available for the Church Missions Director.

The "Mission Development Council" replaces the "Missions Committee" in the churches.

The Rowan Baptist Associational Missions Development Council needs to appoint two more people to serve on the Associational Missions Development Council. We need a Survey Director and a Promotion Director.

Six churches in our Association responded to the above mentioned letter and have appointed a Church Missions Development Director. Listed are these churches, the pastor's name, and the Church Missions Development Director:

<u>Pastor</u>	<u>Church</u>	<u>CMD Director</u>
Rev. Ron Heddle	Stallings Memorial	Jane Hartness
Rev. Bobby Seagroves	Calvary	Lucille Kester
Rev. Derald Adams	South China Grove	Angie Covington
Rev. Robert Heard	Oakdale	Ruby Parris (Sub)
	Needmore	Roberta Mowery
Rev. Mark Walton	Trinity	Mildred Eller

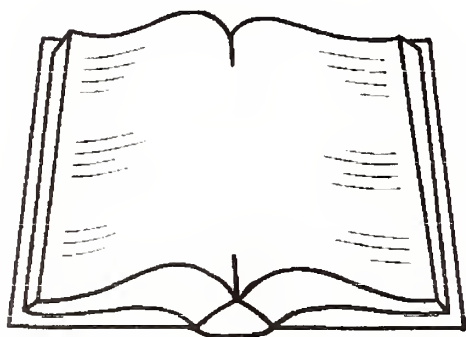

Thanks to the above pastors for helping us in this area. We urge all our churches to appoint a Church Missions Development Director and send their names, addresses, and phone numbers to the Associational Office. The Rowan Baptist Associational Missions Development Council is looking forward to this new year with great excitement and anticipation because of the opportunities God has given us to serve and minister in His name.

Respectfully submitted, Mrs. Ann Mount,
Missions Development Council Director

Vacation Bible School offers to every church, large or small, rural or city, unparalleled opportunities for outreach and ministry to unchurched families and individuals. Vacation Bible School in the Rowan Association grows with each passing year.

On March 7, 1994, the Rowan Baptist Associational Vacation Bible School Team went to the First Baptist Church in Asheboro for our Regional Clinic. On April 5, 1994, we had an early planning clinic at the Associational Office for Pastors and VBS Directors. On April 28, 1994, we had our Associational Vacation Bible School Clinic in the Faith Baptist Church from 7:00 until 9:00 p.m. with 98 workers present.

We urge every church in the Rowan Association to plan for a 1995 Vacation Bible School. We encourage our stronger churches to plan for Mission Vacation Bible School and Backyard Bible Clubs. The four purposes for conducting Vacation Bible School are:

- (1) Reach Persons for Bible Study
- (2) Teach the Bible
- (3) Witness to Persons About Christ and lead them into Church Membership
- (4) Lead Members to Worship

The rewards of Vacation Bible School far exceed the efforts exerted! We express our deepest thanks to the following for leading conferences in 1994: Rev. Derald Adams, Rev. Chuck Brawley, Rev. Hal Hiatt, Mrs. Janette Seagroves, Mrs. Becky Brawley, Mrs. Clara Turrentine, Mrs. Jean Freeman and Mrs. Selana Majors.

Respectfully submitted,
Rev. Bobby Seagroves,
Associational VBS Director

SUNDAY SCHOOL REPORT

Isaiah 61:1-3 states: "The Spirit of the Sovereign Lord is on me, because the Lord has anointed me to preach good news to the poor. He has sent me to bind up the brokenhearted, to proclaim freedom for the captives and release from darkness for the prisoners, to proclaim the year of the Lord's favor and the day of vengeance of our God, to comfort all who mourn,

and provide for those who grieve in Zion - to bestow on them a crown of beauty instead of ashes, the oil of gladness instead of mourning, and a garment of praise. They will be called oaks of righteousness, a planting of the Lord for the display of his splendor."

**BREAK
THROUGH
REACH TO WIN**

Indeed Sunday School's job description is found here, for the Sunday School is to proclaim the good news, to heal the brokenhearted, and to make us more productive disciples. It may help you to know the six tasks of the Sunday School:

- 1) Teach the Bible. The Bible is our textbook, not the quarterly.
- 2) Witness to persons about Christ and lead them to church membership.
- 3) Reach persons for Bible Study. Each Sunday School class should be effective in reaching its own age group.
- 4) Minister to persons in need. Sunday School is where church can most effectively carry out that personal touch.
- 5) Lead members to worship. The goal of all we do is to help persons to worship God in both word and deed. All of us must learn to feed ourselves.
- 6) Fellowship - We each have a need for in-depth Christian Fellowship. Structure and creative fellowship should happen at least once per quarter, if not every month.

Obviously one person cannot do all these alone. It takes an entire class, organized as a team, to carry out their witness, proclamation, and healing ministry. May you "rightly divide the word of truth" that others may have the abundant life.

Respectfully submitted,
Rev. David Phelps,
Associational Sunday School Director
